COMMITTEE FOR PURCHASE FROM PEOPLE WHO ARE BLIND OR SEVERELY DISABLED

Procurement List; Addition

AGENCY: Committee for Purchase from People Who Are Blind or Severely Disabled.

ACTION: Addition to Procurement List.

SUMMARY: This action adds to the Procurement List a service to be furnished by a nonprofit agency employing persons who are blind or have other severe disabilities.

EFFECTIVE DATE: June 22, 2003.

ADDRESSES: Committee for Purchase From People Who Are Blind or Severely Disabled, Jefferson Plaza 2, Suite 10800, 1421 Jefferson Davis Highway, Arlington, Virginia 22202-3259.

FOR FURTHER INFORMATION CONTACT: Sheryl D. Kennerly, (703) 603-7740.

SUPPLEMENTARY INFORMATION: On February 28, 2003, the Committee for Purchase From People Who Are Blind or Severely Disabled published notice (68 FR 9634) of a proposed addition to the Procurement List.

Comments were received from three Native American organizations. All of them questioned the appropriateness of the Committee's program taking a service which is currently in the Small Business Administration's 8(a) Program for small disadvantaged businesses, asserting that the Committee's action affected all 8(a) contractors, particularly Tribal 8(a) contractors which have difficulty acquiring Government contracts. The commenters claimed that the Committee's program is targeting 8(a) and other small business set-aside programs, rather than going after the many other Government contracting opportunities said to exist.

The Committee's program does not target 8(a) or other small business set-aside programs when deciding what to add to the Committee's Procurement List. In fact, the Committee has long had a policy of waiting until 8(a) contractors are no longer eligible for subsequent contracts, as in the instant case, before adding supplies or services to the Procurement List. The Committee does not believe that its authority to add supplies and services to the Procurement List is subordinate to small business set-aside authorities, a conclusion which is supported by a General Accounting Office protest decision as well as the Committee's own legal analysis, so the fact that one of these set-asides was in place is not a bar to an addition to the Procurement List of suitable supplies or services.
