The comments that are submitted will be summarized and included in the NARA request for Office of Management and Budget (OMB) approval. All comments will become a matter of public record. In this notice, NARA is soliciting comments concerning the following information collection:

Title: Order Forms for U.S. Court Records in the National Archives.

OMB number: 3095-NEW.

Agency form number: NATF Forms 90, 91, 92, and 93.

Type of review: Regular.

Affected public: Individuals or households.

Estimated number of respondents: 76,222.

Estimated time per response: 10 minutes.

Frequency of response: On occasion.

Estimated total annual burden hours: 12,704 hours.

Abstract: Submission of requests on a form is necessary to handle in a timely fashion the volume of requests received for these records (approximately 73,334 per year for the NATF 90, approximately 1,426 per year for the NATF 91, approximately 1,312 per year for the NATF 92, approximately 150 per year for the NATF 93) and the need to obtain specific information from the researcher to search for the records sought. As a convenience, the form will allow researchers to provide credit card information to authorize billing and expedited mailing of the copies. NARA is exploring the option of allowing researchers to use Order Online: (http://www.archives.gov/research_room/obtain_copies/military_and_genealogy_order_forms.html) to complete the forms and order the copies.
