

exposed in the incident. Part III requires SkyMed to establish and implement, and thereafter maintain, a comprehensive information security program that protects the security, confidentiality, and integrity of consumers' personal information.

Part IV requires SkyMed to obtain initial and biennial data security assessments for twenty years. Part V of the Proposed Order requires SkyMed to disclose all material facts to the assessor and prohibits SkyMed from misrepresenting any fact material to the assessments required by Part IV.

Part VI requires SkyMed to submit an annual certification from a senior corporate manager (or senior officer responsible for its information security program) that SkyMed has implemented the requirements of the Order and is not aware of any material noncompliance that has not been corrected or disclosed to the Commission. Part VII requires SkyMed to notify the Commission any time (1) it is required to make a notification to a federal, state, or local government that personal information has been breached or disclosed, or (2) individually identifiable health information from or about a consumer was, or is reasonably believed to have been, accessed, acquired, or publicly exposed without authorization.

Parts VIII through XI are reporting and compliance provisions, which include recordkeeping requirements and provisions requiring SkyMed to provide information or documents necessary for the Commission to monitor compliance. Part XII states that the Proposed Order will remain in effect for twenty years, with certain exceptions.

The purpose of this analysis is to aid public comment on the Proposed Order. It is not intended to constitute an official interpretation of the complaint or Proposed Order, or to modify in any way the Proposed Order's terms.

By direction of the Commission.

April J. Tabor,
Acting Secretary.

Centers for Disease Control and Prevention

Solicitation of Nominations for Appointment to the Advisory Committee on Breast Cancer in Young Women (ACBCYW)

ACTION: Notice.

SUMMARY: The Centers for Disease Control and Prevention (CDC) is seeking nominations for membership on the ACBCYW. The ACBCYW consists of 15 experts in fields associated with breast cancer, disease prevention, early detection, diagnosis, public health, social marketing, genetic screening and counseling, treatment, rehabilitation, palliative care, and survivorship in young women, or in related disciplines with a specific focus on young women.

DATES: Nominations for membership on the ACBCYW must be received no later than March 12, 2021. Packages received after this time will not be considered for the current membership cycle.

ADDRESSES: All nominations should be mailed to Jeremy McCallister, c/o ACBCYW Secretariat, Centers for Disease Control and Prevention, 3719 North Peachtree Road, Building 100 Chamblee, Georgia 30341, or emailed (recommended) to acbcyw@cdc.gov.

FOR FURTHER INFORMATION CONTACT: Jeremy McCallister, Designated Federal Officer, National Center for Chronic Disease Prevention and Health Promotion, CDC, 4770 Buford Highway NE, Mailstop F-76, Atlanta, Georgia 30341, Telephone: 404-639-7989; Email: acbcyw@cdc.gov.

SUPPLEMENTARY INFORMATION: Nominations are being sought for individuals who have expertise and qualifications necessary to contribute to the accomplishments of the committee's objectives. Nominees will be selected based on expertise in the fields of breast health, breast cancer, disease prevention and risk reduction, survivorship (including metastatic breast cancer), hereditary breast and ovarian cancer (HBOC), or in related disciplines with a specific focus on young women. Persons with personal experience with early onset breast cancer are also eligible to apply. This includes but may not be limited to breast cancer survivors <45 years of age and caregivers of said persons. Federal employees will not be considered for membership. Members may be invited to serve up to four-year terms. Election of members is based on candidates' qualifications to contribute to the accomplishment of ACBCYW objectives (<https://www.cdc.gov/faca/committees/acbcyw.html>).

The U.S. Department of Health and Human Services policy stipulates that committee membership be balanced in terms of points of view represented, and the committee's function. Appointments shall be made without discrimination on the basis of age, race, ethnicity, gender, sexual orientation, gender identity, HIV status, disability, and cultural, religious, or socioeconomic

status. Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government. Current participation on federal workgroups or prior experience serving on a federal advisory committee does not disqualify a candidate; however, HHS policy is to avoid excessive individual service on advisory committees and multiple committee memberships. Committee members are Special Government Employees, requiring the filing of financial disclosure reports at the beginning and annually during their terms. CDC reviews potential candidates for ACBCYW membership each year and provides a slate of nominees for consideration to the Secretary of HHS for final selection. HHS notifies selected candidates of their appointment near the start of the term in November 2021, or as soon as the HHS selection process is completed. Note that the need for different expertise varies from year to year and a candidate who is not selected in one year may be reconsidered in a subsequent year.

Nominees must be U.S. citizens, and cannot be full-time employees of the U.S. Government. Candidates should submit the following items:

- Current curriculum vitae, including complete contact information (telephone numbers, mailing address, email address)

- At least one letter of recommendation from person(s) not employed by the U.S. Department of Health and Human Services. (Candidates may submit letter(s) from current HHS employees if they wish, but at least one letter must be submitted by a person not employed by an HHS agency (e.g., CDC, NIH, FDA, etc.).

Nominations may be submitted by the candidate him- or herself, or by the person/organization recommending the candidate.

The Director, Strategic Business Initiatives Unit, Office of the Chief Operating Officer, Centers for Disease Control and Prevention, has been delegated the authority to sign **Federal Register** notices pertaining to announcements of meetings and other committee management activities, for both the Centers for Disease Control and Prevention and the Agency for Toxic Substances and Disease Registry.

Kalwant Smagh,

*Director, Strategic Business Initiatives Unit,
Office of the Chief Operating Officer, Centers
for Disease Control and Prevention.*
