### **Youngstown & Southeastern Railroad Co.—Acquisition and Operation Exemption—Mule Sidetracks, LLC**

Youngstown & Southeastern Railroad Co. (YSRR), a Class III carrier, has filed a verified notice of exemption under 49 CFR 1150.41 to acquire from Mule Sidetracks, LLC (MSLLC), and to continue to operate approximately 35.7 miles of rail line between milepost 0.0 in Youngstown, Ohio, and milepost 35.7 in Darlington, Pa. (the Line), together with MSLLC's rights over three miles of contiguous track segments, including incidental trackage rights, running from east of milepost 0.0 and connecting the Line to interchange with Norfolk Southern Railway Company (NSR) and CSX Transportation, Inc. (CSXT).<sup>1</sup>

<sup>1</sup> YSRR states that these rights are found in the following agreements, under which MSLLC has succeeded to the interests of the Line's previous owner, Columbiana County Port Authority (CCPA): (1) Overhead Trackage Rights Agreement dated May 7, 2001, between Ohio & Pennsylvania Railroad Company (OHPA) and Central Columbiana & Pennsylvania Railway, Inc. (CQPA), to which CCPA is successor; (2) Letter Agreement regarding yard operations dated November 30, 2011, among OHPA, CQPA, and CCPA; (3) Interchange Agreement dated July 23, 2002, as amended and in effect, among CSXT, OHPA, and CQPA, and Interline Service Agreement, effective date April 1, 2004, between CSXT and CQPA, to which CCPA is successor; (4) Land Lease dated August 8, 1993, between CSXT and CQPA, which was assumed by CCPA, effective January 3, 2006; (5) Interchange Agreement dated May 1, 2001, and Interline Service Agreement, effective date October 5, 2004, between CQPA and NSR, to which CCPA is successor; (6) easements granted by Allied Erecting & Dismantling Company, Inc. (Allied), to The Pittsburgh and Lake Erie Railroad Company (P&LE) by agreements dated June 3, 1992, and November 10, 1993, and easements retained by P&LE in deeds dated June 3, 1992, and November 10, 1993, from P&LE to Allied (collectively, the Allied Easements), which Allied Easements were conveyed by Youngstown and Southern Railway Company to Railroad Ventures, Inc. (RVI), by deed dated November 8, 1996, and by RVI to CCPA by deed dated January 23, 2001, and were included in the rights granted to CQPA by CCPA, including rights over the C.P. Graham Interlocking, and which collective rights were also conferred on CCPA by order of the Bankruptcy Court dated March 28, 2002, in *In re: Pittsburgh & Lake Erie Properties, Inc.*, Case No. 96-406 (MFW),

YSRR states that it has been operating the Line and connecting track since 2006, first pursuant to a lease with the previous owner, CCPA,<sup>2</sup> and subsequently pursuant to an operating agreement with MSLLC<sup>3</sup> since MSLLC acquired the Line and rights in 2013.<sup>4</sup> YSRR further states that it is entering into an asset purchase sale agreement with MSLLC in which YSRR will acquire the Line and all of MSLLC's related rights to the contiguous track segments, and, following closing, YSRR will be both the owner and operator of the Line and contiguous track segments.

YSRR certifies that, following this transaction, YSRR's annual revenues will be less than \$5 million annually, and it will remain a Class III carrier. YSRR also certifies that the proposed acquisition does not involve an interchange commitment.

This transaction may be consummated on or after September 14, 2019, the effective date of the exemption (30 days after the verified notice was filed).

If the verified notice contains false or misleading information, the exemption is void ab initio. Petitions to revoke the exemption under 49 U.S.C. 10502(d) may be filed at any time. The filing of a petition to revoke will not automatically stay the effectiveness of the exemption. Petitions for stay must be filed no later than September 6, 2019 (at least seven days before the exemption becomes effective).

All pleadings, referring to Docket No. FD 36342, must be filed with the Surface Transportation Board either via e-filing or in writing addressed to 395 E Street SW, Washington, DC 20423-0001. In addition, a copy of each pleading must be served on YSRR's representatives, Eric M. Hocky, Clark Hill PLC, One Commerce Square, 2005 Market Street, Suite 1000, Philadelphia,

and to which CCPA is successor; and (7) Operating Rights Agreement between Matteson Equipment Company (Matteson) and CQPA, to which CCPA is successor, and Operating Rights Agreement between Eastern States Railroad, LLC, and Matteson dated July 14, 2006, to which CCPA is successor.

<sup>2</sup> See *Youngstown & Se. Ry.—Lease & Operation Exemption—Lines of E. States R.R.*, FD 34992 (STB served Dec. 21, 2006). According to YSRR, Eastern States Railroad (ESR) was to have acquired the Line and related rights from CCPA, which had been leasing them to ESR with YSRR as its tenant. See *E. States R.R.—Acquis. Exemption—Cent. Columbiana & Pa. Ry.*, FD 34934 (STB served Dec. 21, 2006). YSRR states, however, that ESR never consummated the acquisition and CCPA remained the owner and directly leased the Line and related rights to YSRR until the sale by CCPA to MSLLC.

### **Alabama Export Railroad, Inc.—Lease and Operation Exemption—Illinois Central Railroad Company**

Alabama Export Railroad, Inc. (ALE), a noncarrier, has filed a verified notice of exemption under 49 CFR 1150.31 to lease and operate approximately 12.1 miles of railroad line in downtown Mobile, Ala., owned by the Illinois Central Railroad Company (IC). The rail line extends between Belt Junction at milepost 6.6 and the State Docks at milepost 0.0 on IC's Beaumont Subdivision, and between Belt Junction at milepost 6.6 and Frascati Junction at milepost 1.1 on IC's Frascati Lead (the Line).

This transaction is related to a concurrently filed verified notice of exemption in *Mississippi Export Railroad—Continuance in Control Exemption—Alabama Export Railroad*, Docket No. FD 36320, in which Mississippi Export Railroad Company (MSE) seeks to continue in control of ALE upon ALE's becoming a Class III rail carrier.

ALE states that it and IC are negotiating track lease and switching agreements under which IC, in addition to continuing to own the Line, would also be the Line's lessor, and ALE would be the lessee and operator.

According to ALE, the proposed agreements between ALE and IC do not contain an interchange commitment.

ALE certifies that its projected annual revenues as a result of this transaction will not result in the creation of a Class II or Class I rail carrier and will not exceed \$5 million.
