SUPPLEMENTARY INFORMATION:

Title: 7 CFR 1951–E, Servicing of Community and Direct Business Programs Loans and Grants.

OMB Number: 0575–0066.

Expiration Date of Approval: August 31, 2011.

Type of Request: Extension of a currently approved information collection.

Abstract: The Community Facilities program is authorized to make loans and grants to public entities, nonprofit corporations, and Indian tribes for the development of essential community facilities primarily serving rural residents. The Direct Business and Industry program, under Rural Business-Cooperative Service, is authorized to make loans to improve, develop, or finance business, industry, and employment, and improve the economic and environmental climate in rural communities.

The purpose of this collection is to establish security servicing policies, assist recipients in meeting the objectives of the loans and grants, repay loans on schedule, comply with agreements, and protect the Government's financial interest. Routine servicing responsibilities include collection of payments, compliance reviews, security inspections, review of financial reports, determining applicant/borrower eligibility and project feasibility for various servicing actions, monitoring delinquent accounts, and supervision activities.

Supervision by the Agencies include, but is not limited to: Review of budgets, management reports, audits and financial statements; performing security inspections; providing, arranging, or recommending technical assistance; evaluating environmental impacts of proposed actions by the borrower; performing civil rights compliance reviews; and assisting in the development of workout agreements.

Information will be collected by the field offices from applicants, borrowers, consultants, lenders, and attorneys.

Failure to collect information could result in improper servicing of these loans.

Estimate of Burden: Public reporting burden for this collection of information is estimated to average 1 hour per response.

Respondents: State, local or tribal Governments, not-for-profit institutions, businesses, and individuals.

Estimated Number of Respondents: 105.

Estimated Number of Responses per Respondent: 1.

Estimated Number of Responses: 716.

Estimated Total Annual Burden on Respondents: 769.

Copies of the information collection can be obtained from Jeanne Jacobs, Regulations and Paperwork Management Branch, at (202) 692–0040.

Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Agencies, including whether the information will have practical utility; (b) the accuracy of the Agencies' estimate of the burden of the proposed collection of information including the validity of the methodology and assumptions used; (c) ways to enhance the quality, utility and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology. Comments may be sent to Jeanne Jacobs, Regulations and Paperwork Management Branch, U.S. Department of Agriculture, Rural Development, 7th Floor, Room 701, 300 7th Street, SW., Washington, DC 20024. All responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Dated: March 14, 2011.

Tammye Treviño,

Administrator, Rural Housing Service.

BILLING CODE 3410–XV–P

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Docket 19–2011]

Foreign-Trade Zone 137—Washington Dulles International Airport, VA Area; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Washington Dulles Foreign Trade Zone Inc., grantee of FTZ 137, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (74 FR 1170, 1/12/09 (correction 74 FR 3987, 1/22/09); 75 FR 71069–71070, 11/

22/10). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new “usage-driven” FTZ sites for operators/users located within a grantee's “service area” in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 14, 2011.

FTZ 137 was approved by the Board on April 17, 1987 (Board Order 350, 52 FR 13489, 4/23/87) and expanded on March 12, 1999 (Board Order 1029, 64 FR 14213, 3/24/99) and on April 5, 2001 (Board Order 1152, 66 FR 19424, 4/16/01).

The current zone project includes the following sites: *Site 1* (243 acres)—Washington Dulles International Airport, Aviation Drive, Dulles; *Site 2* (3.5 acres)—Victory Van Corporation facilities, 110 Terminal Drive, Sterling; *Site 3* (142 acres)—Arcola complex, located at the intersection of Rt. 606 & 621, Dulles; *Site 4* (183 acres)—Ft. Collier Industrial Park (167 acres), located at the intersection of Rt. 11 & Ft. Collier Road, Winchester; and, Fortessa, Inc. (16 acres) within the Stonewall Industrial Park, 402 McGhee Road, Winchester; *Site 5* (64 acres)—Winchester Regional Airport industrial park, Airport Road/Rt. 645 & Pegasus Court, Winchester; and, *Site 6* (155 acres)—Wrights Run complex, intersection of U.S. Rt. 522 & Rt. 624, Winchester.

The grantee's proposed service area under the ASF would be Frederick, Clarke, Loudoun, Fairfax, Fauquier, Prince William, and Arlington Counties and the City of Alexandria, Virginia, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Washington Dulles International Airport Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project under the ASF as follows: renumber the non-contiguous portion (16 acres) of Site 4 as Site 7; Sites 1–6 would become “magnet” sites; and, Site 7 would become a usage-driven site. The ASF allows for the possible exemption of one magnet site from the “sunset” time limits that generally apply to sites under the

ASF, and the applicant proposes that Site 1 be so exempted.

In accordance with the Board's regulations, Kathleen Boyce of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 17, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 1, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>. For further information, contact Kathleen Boyce at Kathleen.Boyce@trade.gov or (202) 482-1346.

Dated: March 14, 2011.

Andrew McGilvray,
Executive Secretary.

BILLING CODE 3510-DS-P

DEPARTMENT OF COMMERCE

Foreign-Trade Zones Board

[Docket 21-2011]

Foreign-Trade Zone 47—Boone County, KY; Application for Reorganization Under Alternative Site Framework

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Greater Cincinnati Foreign Trade Zone, Inc. grantee of FTZ 47, requesting authority to reorganize the zone under the alternative site framework (ASF) adopted by the Board (74 FR 1170, 1/12/09 (correction 74 FR 3987, 1/22/09); 75 FR 71069-71070, 11/22/10). The ASF is an option for grantees for the establishment or reorganization of general-purpose zones and can permit significantly greater flexibility in the designation of new "usage-driven" FTZ sites for operators/users located within a grantee's "service area" in the context of the Board's standard 2,000-acre activation limit for a general-purpose zone project. The

application was submitted pursuant to the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on March 15, 2011.

FTZ 47 was approved by the Board on January 12, 1979 (Board Order 141, 44 FR 4003, 1/19/79) and expanded on December 23, 1993 (Board Order 674, 59 FR 1371, 1/10/94) and September 27, 2001 (Board Order 1194, 66 FR 52740, 10/17/01).

The current zone project includes the following sites: *Site 1* (22 acres)—Northern Kentucky Business Center, 1670 Dolwick Drive, Erlanger, Boone County; and, *Site 2* (185 acres)—Park West International Industrial Park, 1500 Worldwide Boulevard, Hebron, Boone County, Kentucky.

The grantee's proposed service area under the ASF would be Boone, Kenton and Campbell Counties, Kentucky, as described in the application. If approved, the grantee would be able to serve sites throughout the service area based on companies' needs for FTZ designation. The proposed service area is within and adjacent to the Cincinnati Customs and Border Protection port of entry.

The applicant is requesting authority to reorganize its existing zone project to include Site 1 as a "usage-driven" site and Site 2 as a "magnet" site. The applicant is also requesting that 15 acres be deleted from Site 1 due to changed circumstances. Because the ASF only pertains to establishing or reorganizing a general-purpose zone, the application would have no impact on FTZ 47's authorized subzones.

In accordance with the Board's regulations, Elizabeth Whiteman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is May 17, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to June 1, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401 Constitution Avenue, NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via <http://www.trade.gov/ftz>. For further information, contact Elizabeth Whiteman at Elizabeth.Whiteman@trade.gov or (202) 482-0473.

Dated: March 15, 2011.

Andrew McGilvray,
Executive Secretary.
