SUPPLEMENTARY INFORMATION:

I. Background

The Office of Workers’ Compensation Programs (OWCP) is the agency responsible for administration of the Federal Employees’ Compensation Act (FECA), 5 U.S.C. 8101—administered by the Division of Federal Employees’ Compensation Program; the Black Lung Benefits Act (BLBA), 30 U.S.C. 901—administered by the Division of Coal Miner Workers’ Compensation Program; and the Energy Employees Occupational Illness Compensation Program Act of 2000 (EEOICPA), 42 U.S.C. 7384 administered by the Division of Energy Employees Occupational Illness Compensation Programs. All three of these statutes require that OWCP pay for medical treatment of beneficiaries; BLBA also requires that OWCP pay for medical examinations and related diagnostic services to determine eligibility for benefits under that statute. In order to determine whether billed amounts are appropriate, OWCP needs to identify the patient, the injury or illness that was treated or diagnosed, the specific services that were rendered

and their relationship to the work-related injury or illness. The regulations implementing these statutes require the use of Form OWCP–1500 for medical bills submitted by certain physicians and other providers (20 CFR 10.801, 20 CFR 725.704, 30.701, 725.405, 725.406(e), 725.701 and 725.715).

II. Desired Focus of Comments

OWCP is soliciting comments concerning the proposed information collection related to the Health Insurance Claim Form (OWCP–1500).

OWCP is particularly interested in comments that:

- Evaluate whether the collection of information is necessary for the proper performance of the functions of the Agency, including whether the information has practical utility;
- Evaluate the accuracy of OWCP’s estimate of the burden related to the information collection, including the validity of the methodology and assumptions used in the estimate;
- Suggest methods to enhance the quality, utility, and clarity of the information to be collected; and
- Minimize the burden of the information collection on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Background documents related to this information collection request are available at <https://regulations.gov> and at DOL–OWCP located at 200 Constitution Avenue NW, Washington, DC 20210. Questions about the information collection requirements may be directed to the person listed in the **FOR FURTHER INFORMATION** section of this notice.
