#### Transmission Planning Processes Under Order No. 890; Notice Announcing Panelists and Final Agenda for the September 10, 2009 Technical Conference in Atlanta, GA

September 2, 2009.

On June 30, 2009, the Commission issued a notice (June 30 Notice) scheduling staff technical conferences to examine the transmission planning processes that are being conducted pursuant to Order No. 890.<sup>1</sup> As stated in the June 30 Notice, these technical conferences are intended to meet the Commission's commitment that its staff would conduct an assessment of the Order No. 890 transmission planning processes.

The August 3 Notice also reiterated that those wishing to participate as panelists should submit a request form describing the topic(s) they wish to address. In addition, those wishing to attend each conference were asked to complete a registration form. On August 7, 2009, the Commission issued an errata notice shortening the due date for all requests from those wishing to participate as a panelist at any of the three technical conferences to August 13, 2009.
