#### 33 CFR Part 100

[Docket Number USCG-2023-0671]

RIN 1625-AA08

#### Special Local Regulation; Glass City Glowtacular, Maumee River: Toledo, OH

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard will establish and enforce a special local regulation for the Glass City Glowtacular. This special local regulation is necessary to safely control vessel movements in the vicinity of the paddle event, provide for the safety of the general boating public, and commercial shipping. During this enforcement period, no person or vessel may enter the regulated area without the permission of the Coast Guard Patrol Commander.

**DATES:** This special local regulation will be enforced from 7 p.m. through 11 p.m. on September 16, 2023.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2023-0671 in the “SEARCH” box and click “SEARCH.” Next, in the Document Type column, select “Supporting & Related Material.”

**FOR FURTHER INFORMATION CONTACT:** If you have questions on this rule, call or email MST1 Karl Dirksmeyer, Marine Safety Unit Toledo, Coast Guard; telephone (419) 392-0324, email [D09-SMB-MSUToledo-WWM@uscg.mil](mailto:D09-SMB-MSUToledo-WWM@uscg.mil).

#### SUPPLEMENTARY INFORMATION:

##### I. Table of Abbreviations

CFR Code of Federal Regulations  
DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code

##### II. Background Information and Regulatory History

The Coast Guard is issuing this temporary final rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency, for good cause finds that those procedures are

“impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because we must establish this special local regulation by September 16, 2023.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this regulation would be impracticable.

##### III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70041. The Captain of the Port Detroit (COTP) has determined that potential hazards associated with the Glass City Glowtacular on September 16, 2023, will be a safety concern within all waters of the Maumee River from Middlegrounds Metro Park down river to the Glass City Metro Park for four hours. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters near the Middlegrounds and Glass City Metro Parks, Toledo, OH.

##### IV. Discussion of the Rule

This rule establishes a special local regulation from 7:00 p.m. through 11:00 p.m. on September 16, 2023. In light of the aforementioned hazards, the COTP has determined that a special local regulation is necessary to protect spectators, vessels, and participants. The special local regulation will encompass the following waterway: all U.S. navigable waters of the Maumee River in Toledo, OH, between the Middleground Metro Park, and the Glass City Metro Park. The COTP or his designated on-scene representative will notify the public of the enforcement of this rule by all appropriate means, including a Broadcast Notice to Mariners.

##### V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

##### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a

“significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration and time-of-day of the special local regulation. Vessel traffic will not be able to safely transit around this regulated area which would impact a small designated area of Maumee River for a short duration, during the evening when vessel traffic is normally low. Moreover, the Coast Guard would issue a Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule would allow vessels to seek permission to enter the zone.

#### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the area may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104–121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1–888–REG–FAIR (1–888–734–3247). The Coast Guard will not retaliate against

small entities that question or complain about this rule or any policy or action of the Coast Guard.

#### C. Collection of Information

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

#### D. Federalism and Indian Tribal Governments

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

#### E. Unfunded Mandates Reform Act

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

#### F. Environment

We have analyzed this rule under Department of Homeland Security Directive 023–01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (42 U.S.C. 4321–4370f), and have determined that this action is one of a category of actions that do not individually or cumulatively have a significant effect on the human environment. This special local regulation lasts four hours that will prohibit entry of the waters of the

Maumee River, between the Middlegrounds Metro Park and the Glass City Metro Park. It is categorically excluded from further review under paragraph L[61] of Appendix A, Table 1 of DHS Instruction Manual 023–01–001–01, Rev. 1. A Record of Environmental Consideration supporting this determination is available in the docket. For instructions on locating the docket, see the **ADDRESSES** section of this preamble.

#### G. Protest Activities

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

#### List of Subjects in 33 CFR Part 100

Marine safety, Navigation (water), Reporting and record keeping requirements, Waterways.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 100 as follows:

#### PART 100—SAFETY OF LIFE ON NAVIGABLE WATERS

■ 1. The authority citation for part 100 continues to read as follows:

**Authority:** 46 U.S.C. 70041; 33 CFR 1.05–1.

■ 2. Add § 100.T09–0671 to read as follows:

##### § 100.T09–0671 Special Local Regulations; Glass City Glowtacular, Toledo, OH.

(a) *Location.* This special local regulation in this section lasts 4 hours and will limit entry within the navigable waters of the Maumee River between the Middleground Metro Park located at position 41°38′21.4″ N, 083°32′0.1″ W, and the Glass City Metro Park at position 41°39′30.5″ N, 083°30′58.0″ W. All geographic coordinates are North American Datum of 1983 (NAD 83).

(b) *Enforcement period.* The regulation in this section will be enforced from 7 p.m. through 11 p.m. on September 16, 2023. The Captain of the Port Detroit will announce specific enforcement periods by Broadcast Notice to Mariners (BNM).

(c) *Regulations.* (1) In accordance with the general regulations in § 100.911(b), No vessel may enter, transit through, or anchor within the regulated area without the permission of the Coast Guard Patrol Commander.

(2) Vessel operators desiring to enter or operate within the regulated area shall contact the Coast Guard Patrol Commander to obtain permission to do so. Vessel operators given permission to enter or operate within the regulated area must comply with all directions given to them by the Coast Guard Patrol Commander.

Dated: August 15, 2023.

### Safety Zone; Operation Safe Harbor Exercise, Mackinaw Island, MI

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

**SUMMARY:** The Coast Guard is establishing a temporary safety zone for certain navigable waters of Lake Huron between St. Ignace, MI and Mackinaw Island, MI. The safety zone is needed to protect personnel, vessels, and the marine environment from potential hazards created by aerial and waterborne activities during an emergency response exercise. Entry of vessels or persons into this zone is prohibited unless specifically authorized by the Captain of the Port, Sector Sault Sainte Marie.

**DATES:** This rule is effective from September 7, 2023, 7 a.m. through September 8, 2023, 6 p.m. local time.

DHS Department of Homeland Security  
FR Federal Register  
NPRM Notice of proposed rulemaking  
§ Section  
U.S.C. United States Code  
COTP Captain of the Port

## II. Background Information and Regulatory History

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are "impracticable, unnecessary, or contrary to the public interest." Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because of the potential hazards that exist with respect to the exercise. It is impracticable to publish an NPRM because we must establish this safety zone by September 7, 2023.

Under 5 U.S.C. 553(d)(3), the Coast Guard finds that good cause exists for making this rule effective less than 30 days after publication in the **Federal Register**. Delaying the effective date of this rule would be impracticable because immediate action is needed to respond to the potential safety hazards associated with helicopters carrying sling loads across the waterway during the exercise.

## III. Legal Authority and Need for Rule

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034. The Captain of the Port Sector Sault Sainte Marie (COTP) has determined that potential hazards associated with a Mackinaw County Emergency Exercise September 7, 2023, will be a safety concern for anyone within a box bound by the following four points: 45-53.5' N 084-43.52' W, 45-3.83' N 084-44' W, 45-53.09' N 084-38.78' W, 45-52.22' N, 084-38.94' W. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the safety zone while the exercise is happening.

## IV. Discussion of the Rule

This rule establishes a safety zone during daylight hours from 7 a.m. through 6 p.m. on September 7, 2023, and from 7 a.m. through 6 p.m. on September 8, 2023. The safety zone will cover all navigable waters within a box

bound by the following four points: 45-53.5' N 084-43.52' W, 45-3.83' N 084-44' W, 45-53.09' N 084-38.78' W, 45-52.22' N 084-38.94' W. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters while the exercise is happening. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a designated representative.

## V. Regulatory Analyses

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

### A. Regulatory Planning and Review

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a "significant regulatory action," under section 3(f) of Executive Order 12866, as amended by Executive Order 14094 (Modernizing Regulatory Review). Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the size, location, duration, and time-of-day for each safety zone. Vessel traffic will be able to safely transit around all safety zones which will impact small designated areas within the COTP zone for short durations of time. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF channel 16 about the zone and the rule allows vessels to seek permission to enter the zone.

### B. Impact on Small Entities

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601-612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term "small entities" comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the
