

Auction Mechanism” and “BAM” to “Automated Improvement Mechanism” and “AIM”, respectively, in the Fees Schedule. No substantive changes are being made by the proposed rule change.

## 2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.<sup>5</sup> Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>6</sup> requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)<sup>7</sup> requirement that the rules of an exchange not be designed to permit unfair discrimination between customers, issuers, brokers, or dealers.

In particular, the proposed change is a non-substantive change and does not impact the operations of the Exchange. Rather, it merely corrects an inadvertent oversight to update terminology in the Fees Schedule. The Exchange believes that updating the Fees Schedule to accurately reflect the new name for the BAM functionality will alleviate potential confusion, thereby removing impediments to and perfecting the mechanism of a free and open market and a national market system and protecting investors and the public interest.

### *B. Self-Regulatory Organization’s Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not intended to address competitive issues but rather is concerned solely with updating the EDGX Options Fee Schedule to reflect

the abovementioned language changes, which will alleviate potential confusion.

### *C. Self-Regulatory Organization’s Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*

The Exchange neither solicited nor received comments on the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act<sup>8</sup> and paragraph (f) of Rule 19b-4<sup>9</sup> thereunder. At any time within 60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission will institute proceedings to determine whether the proposed rule change should be approved or disapproved.

proposed rule change from interested persons.

### **I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change**

The Exchange proposes to amend Rule 7.37 (Order Execution and Routing) to update a rule cross reference. The proposed rule change is available on the Exchange's website at [www.nyse.com](http://www.nyse.com), at the principal office of the Exchange, and at the Commission's Public Reference Room.

### **II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

In its filing with the Commission, the self-regulatory organization included statements concerning the purpose of, and basis for, the proposed rule change and discussed any comments it received on the proposed rule change. The text of those statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

#### **A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change**

##### **1. Purpose**

The Exchange proposes to amend Rule 7.37 (Order Execution and Routing) to update a rule cross reference.

Rule 7.37(b)(7) provides that electronically-entered requests to cancel or reduce in size MOC Orders or LOC orders in New York Stock Exchange LLC ("NYSE") listed securities will be rejected if entered after the times specified in NYSE Rules 123C(3)(b) and Supplementary Material .40 to that rule. The NYSE recently amended its rules to support the transition of NYSE-listed securities to the Pillar trading platform.<sup>3</sup> Among other things, when NYSE transitions NYSE-listed securities to the Pillar trading platform, the NYSE Rule 7.35 Series will govern auctions on the NYSE and NYSE Rule 123C will no longer be applicable.<sup>4</sup>

<sup>3</sup> See Securities Exchange Act Release No. 85962 (May 29, 2019), 84 FR 26188 (June 5, 2019) (SR-NYSE-2019-05) (Approval Order).

<sup>4</sup> The NYSE has announced that, subject to rule approvals, the NYSE will begin transitioning NYSE-listed securities to Pillar on August 5, 2019, available here: [https://www.nyse.com/publicdocs/nyse/markets/nyse/Revised\\_Pillar\\_Migration\\_Timeline.pdf](https://www.nyse.com/publicdocs/nyse/markets/nyse/Revised_Pillar_Migration_Timeline.pdf). The NYSE will publish by separate Trader Update a complete symbol migration schedule.

The Exchange proposes to amend Rule 7.37(b)(7)(C) to update the cross reference to the NYSE rule that will be applicable when NYSE-listed securities transition to the Pillar trading platform. Instead of cross referencing NYSE Rule 123C(3)(b) and Supplementary Material .40 to that rule, the Exchange proposes to cross reference NYSE Rule 7.35(a)(7), which defines the term "Closing Auction Imbalance Freeze Time." As provided for in NYSE Rule 7.35B(f)(2), the NYSE will begin limiting the circumstances when a MOC or LOC Order may be cancelled or reduced in size beginning at that Closing Auction Imbalance Freeze Time. These NYSE Pillar rules are substantively the same as current NYSE Rule 123C(3)(b) as both sets of rules use the same cut-off time for when the NYSE begins restricting the circumstances when a MOC or LOC Order may be cancelled or reduced in size, *i.e.*, ten minutes before the scheduled end of trading.

The proposed amended rule text will provide as follows (deleted text in brackets, new text in *italics*):

For MOC Orders or LOC Orders in NYSE-listed securities, requests to cancel or reduce in size that are electronically entered after the "*Closing Auction Imbalance Freeze Time*" specified in NYSE Rule 7.35(a)(7)[the times specified in NYSE Rule 123C(3)(b) and Supplementary Material .40 to that rule] will be rejected.

The Exchange will implement these proposed rule changes on the same schedule that the NYSE transitions NYSE-listed securities to the Pillar trading platform. In other words, the current rule will remain operative for NYSE-listed securities until such time that they transition to NYSE's Pillar trading platform.

##### **2. Statutory Basis**

The proposed rule change is consistent with Section 6(b) of the Securities Exchange Act of 1934 (the "Act"),<sup>5</sup> in general, and furthers the objectives of Section 6(b)(5),<sup>6</sup> in particular, because it is designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in facilitating transactions in securities, to remove impediments to, and perfect the mechanism of, a free and open market and a national market system and, in general, to protect investors and the public interest.

The Exchange believes that the proposed rule change to amend Rule

7.37 would remove impediments to and perfect the mechanism of a free and open market and a national market system because it would update the Exchange's rules to cross reference the NYSE rule that would be applicable when the NYSE transitions its listed securities to the Pillar trading platform. The proposed rule change does not propose any new or novel functionality because the NYSE Pillar rules provide for the same cut-off time and circumstances for cancelling or reducing in size MOC or LOC Orders as provided for in NYSE Rule 123C(3)(b) and Supplementary Material .40 to that rule. The Exchange therefore believes that the proposed rule change would protect investors and the public interest, in general, because it is designed to promote transparency and clarity in Exchange rules.

#### **B. Self-Regulatory Organization's Statement on Burden on Competition**

The Exchange does not believe that the proposed rule change will impose any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act. The proposed rule change is not designed to address any competitive issues, but rather, would update Rule 7.37 to update a cross reference to the NYSE rule that would be applicable when the NYSE transitions its listed securities to the Pillar trading platform. The Exchange therefore believes that the proposed rule change is designed to promote transparency and clarity in Exchange rules.

#### **C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others**

No written comments were solicited or received with respect to the proposed rule change.

### **III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action**

The Exchange has filed the proposed rule change pursuant to Section 19(b)(3)(A)(iii) of the Act<sup>7</sup> and Rule 19b-4(f)(6) thereunder.<sup>8</sup> Because the proposed rule change does not: (i) Significantly affect the protection of investors or the public interest; (ii) impose any significant burden on competition; and (iii) become operative prior to 30 days from the date on which it was filed, or such shorter time as the Commission may designate, if consistent with the protection of

investors and the public interest, the proposed rule change has become effective pursuant to Section 19(b)(3)(A) of the Act and Rule 19b-4(f)(6)(iii) thereunder.

At any time within 60 days of the filing of such proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act. If the Commission takes such action, the Commission shall institute proceedings under Section 19(b)(2)(B) <sup>9</sup> of the Act to determine whether the proposed rule change should be approved or disapproved.
