Agency Information Collection Activities: Proposed Collection; Comment Request

In compliance with Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995 concerning opportunity for public comment on proposed collections of information, the Substance Abuse and Mental Health

Services Administration (SAMHSA) will publish periodic summaries of proposed projects. To request more information on the proposed projects or to obtain a copy of the information collection plans, call the SAMHSA Reports Clearance Officer at 240-276-1243.

Comments are invited on: (a) Whether the proposed collections of information are necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Proposed Project: SAMHSA Disaster Technical Assistance Center Training, Webinar, Podcast, and Mobile Application Feedback Forms—New

The Substance Abuse and Mental Health Services Administration (SAMHSA) is requesting approval for a 3-year data collection effort associated with the SAMHSA Disaster Technical Assistance Center Training, Webinar, Podcast, and Mobile Application Feedback Forms—New. The collection includes five data collection instruments—the Training Feedback Form, the Webinar/Podcast Feedback Form, the Mobile Application Feedback Form, the Training Evaluation Follow-Up Interview Guide, and the Webinar Feedback Form Follow-Up Interview Guide. All of the proposed data collection efforts will be used to gather feedback on several training, webinar, and podcast events provided by SAMHSA DTAC throughout the year, as well as feedback on a SAMHSA application for mobile devices. The information will be used to: (1) Enhance SAMHSA DTAC training, webinar, and podcast curricula and content and enhance these resources as feedback is gathered through this data collection effort; and (2) enhance the SAMHSA application for mobile devices.

SAMHSA DTAC will be responsible for administering the data collection instruments and analyzing the data. SAMHSA DTAC will use data from the Training Feedback Form, the Webinar/Podcast Feedback Form, the Training Follow-Up Interview Guide, and the Webinar Feedback Form Follow-Up Interview Guide to inform current and future training, webinar, and podcast activities and to ensure these activities
