The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on November 25, 2016.

VW already has authority to produce passenger motor vehicles within Site 3 of FTZ 134. The current request would add foreign status materials/components to the scope of authority. On its domestic sales, VW would be able to choose the duty rates during customs entry procedures that apply to passenger motor vehicles (duty rate 2.5%) for the foreign-status materials/components noted below and in the existing scope of authority. Customs duties also could possibly be deferred or reduced on foreign-status production equipment.
