#### Response to Public Comments

On December 30, 2011, NOAA and DOI (agencies) published the Nomination of Existing Marine Protected Areas (MPAs) to the National System of Marine Protected Areas for public comment, for the nomination of fifty-eight existing MPAs. By the end of the 45-day comment period, two public comments had been received. Both comments expressed support for the nomination of the Fort Pulaski National Monument, noting that its membership in the national system provides an opportunity to raise awareness of the area, highlight opportunities for research and increase cooperation with other protected areas and marine research institutions in the region.
