Oracle Flexible Packaging, Inc. (OFP), an operator of FTZ 230, submitted a notification of proposed production activity to the FTZ Board for its facility located in Winston-Salem, North Carolina. The notification conforming to the requirements of the regulations of the FTZ Board (15 CFR 400.22) was received on January 6, 2014.

OFP already has authority to produce laminated foil and foil backed paper products. backed paperboard (free) for the foreign status input noted below and the inputs in the existing scope of authority.

Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The material sourced from abroad is aluminum converter foil (duty rate: 5.8%).

Public comment is invited from interested parties. Submissions shall be addressed to the FTZ Board's Executive Secretary at the address below. The closing period for their receipt is March 17, 2014.
