Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The purpose of this program is to ensure that parents of children with disabilities receive training and information to help improve results for their children.

Priorities: This competition contains an absolute priority and a competitive preference priority. In accordance with 34 CFR 75.105(b)(2)(iv) and (v), these priorities are from allowable activities specified in the statute, or otherwise authorized in the statute (see sections 672 and 681(d) of the Individuals with Disabilities Education Act (IDEA)).

Absolute Priority: For FY 2005 this priority is an absolute priority. Under 34 CFR 75.105(c)(3), we consider only applications that meet this priority.

This priority is:

Community Parent Resource Centers

Background: This priority supports community parent training and

information centers in targeted communities that will provide underserved parents of children with disabilities, including low-income parents, parents of limited English proficient children and parents with disabilities in that community, with the training and information they need to enable them to participate effectively in helping their children with disabilities to—

(a) Meet developmental and functional goals, and challenging academic achievement goals that have been established for all children; and

(b) Be prepared to lead productive, independent adult lives, to the maximum extent possible.

In addition, a purpose of this priority is to ensure that children with disabilities and their parents receive training and information on their rights, responsibilities, and protections under IDEA in order to develop the skills necessary to cooperatively and effectively participate in planning and decisionmaking relating to early intervention, educational, and transitional services.

Text of Priority

Each community parent resource center assisted under this priority shall—

(a) Provide training and information that meets the training and information needs of parents of children with disabilities within the targeted community proposed to be served by the center, particularly underserved parents and parents of children who may be inappropriately identified as having disabilities;

Note: For purposes of this priority, "community to be served" refers to a community whose members experience significant isolation from available sources of information and support as a result of cultural, economic, linguistic, or other circumstances deemed appropriate by the Secretary.

(b) Carry out the activities required of parent training and information centers under section 671(b) of IDEA, which are listed as follows:

(1) Serve the parents of infants, toddlers, and children, from ages birth through 26, with the full range of disabilities described in section 602(3) of IDEA;

(2) Ensure that the training and information provided meets the needs of low-income parents and parents of limited English proficient children;

(3) Assist parents to—

(A) Better understand the nature of their children's disabilities and their educational, developmental, and transitional needs;

(B) Communicate effectively and work collaboratively with personnel responsible for providing special education, early intervention services, transition services, and related services;

(C) Participate in decisionmaking processes and the development of individualized education programs under Part B of IDEA and individualized family service plans under Part C of IDEA;

(D) Obtain appropriate information about the range, type, and quality of—

(i) Options, programs, services, technologies, practices and interventions based on scientifically based research, to the extent practicable, and

(ii) Resources available to assist children with disabilities and their families in school and at home;

(E) Understand the provisions of IDEA for the education of, and the provision of early intervention services to, children with disabilities;

(F) Participate in activities at the school level that benefit their children; and

(G) Participate in school reform activities;

(4) In States where the State elects to contract with the parent training and information center, contract with State educational agencies to provide, consistent with subparagraphs (B) and (D) of section 615(e)(2) of IDEA, individuals who meet with parents to explain the mediation process to the parents;

(5) Assist parents in resolving disputes in the most expeditious and effective way possible, including encouraging the use, and explaining the benefits, of alternative methods of dispute resolution, such as the mediation process described in section 615(e) of IDEA;

(6) Assist parents and students with disabilities to understand their rights and responsibilities under IDEA, including those under section 615(m) of IDEA upon the student's reaching the age of majority (as appropriate under State law);

(7) Assist parents to understand the availability of, and how to effectively use, procedural safeguards under IDEA, including the resolution session described in section 615(e) of IDEA;

(8) Assist parents in understanding, preparing for, and participating in, the process described in section 615(f)(1)(B) of IDEA;

(c) Establish cooperative partnerships with the parent training and information centers funded in the State under section 671 of IDEA;

(d) Respond to requests from the National Technical Assistance Center

(NTAC) and Regional Parent Technical Assistance Centers (PTACs) and use the technical assistance services of the NTAC and PTACs in order to serve the families of infants, toddlers, and children with disabilities as efficiently as possible. PTACs are charged with assisting parent centers with administrative and programmatic issues;

(e) Be designed to meet the specific needs of families who experience significant isolation from available sources of information and support;

(f) Annually report to the Department on—

(1) The number and demographics of parents to whom it provided information and training in the most recently concluded fiscal year, including demographic information about those parents served, and additional information regarding the unique needs and levels of service provided; and

(2) The effectiveness of strategies used to reach and serve parents, including underserved parents of children with disabilities, by providing evidence of how those parents were served effectively;

(g) In collaboration with OSEP and the NTAC, participate in an annual collection of program data for the community parent resource centers and the parent training and information centers;

(h) Prior to developing any new product, whether paper or electronic, submit for approval a proposal describing the content and purpose of the product to the document review board of OSEP's Dissemination Center for approval;

(i) Budget for a two-day Project Directors' meeting in Washington, DC during each year of the project. In addition, a project's budget must include funds to attend a Regional Project Directors meeting to be held each year of the project;

(j) If the community parent resource center maintains a Web site, include relevant information and documents in a form that meets a government or industry-recognized standard for accessibility.

Competitive Preference Priority: Within this absolute priority, we give competitive preference to applications that address the following priority. Under 34 CFR 75.105(c)(2)(i), we award additional points to an application that meets this priority.

That is, an applicant meeting the competitive preference priority could earn a maximum total of 105 points.

Waiver of Proposed Rulemaking: Under the Administrative Procedure Act (APA) (5 U.S.C. 553) the Department generally offers interested parties the opportunity to comment on proposed priorities. However, section 681(d) of IDEA makes the public comment requirements under the APA inapplicable to the priorities in this notice.
