**SUPPLEMENTARY INFORMATION:** Section  
3506 of the Paperwork Reduction Act of  
1995 (44 U.S.C. Chapter 35) requires

that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. The IC Clearance Official, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, e.g., new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or recordkeeping burden. *Type of Review:* Revision.

*Title:* Annual Mandatory Collection of Elementary and Secondary Education Data for EDFacts.

*Frequency:* Annually; Biennially.

*Affected Public:* State, Local, or Tribal Gov't, SEAs or LEAs.

*Reporting and Recordkeeping Hour Burden:*

*Responses:* 7,059.

*Burden Hours:* 1,113,034.

*Abstract:* EDFacts is in the implementation phase of a multiple year effort to consolidate the collection of education information about States, Districts, and Schools in a way that improves data quality and reduces paperwork burden for all of the national education partners. To minimize the burden on the data providers, EDEN seeks the transfer of the proposed data as soon as it has been processed for State, District, and School use. These data will then be stored in EDFacts and accessed by Federal education program managers and analysts as needed to make program management decisions. This process will eliminate redundant data collections while providing for the timeliness of data submission and use. The modification of this collection is to

directly address the Civil Rights Data Collection from local education agencies (LEAs), which is part of the larger annual submission of elementary and secondary education data under EDFacts. The current expiration data and all of the currently approved data requirements of the State submitted data are not changing at this time.

Requests for copies of the information collection submission for OMB review may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 4127.
