SUPPLEMENTARY INFORMATION:

I. Background

Section 3304(a)(9)(B), of the Internal Revenue Code (IRC) of 1986, requires states to participate in an arrangement for combining employment and wages covered under the different state laws for the purpose of determining unemployed workers' entitlement to unemployment compensation. The Interstate Arrangement for Combining Employment and Wages for combined wage claims (CWC), promulgated at 20 CFR part 616, requires the prompt transfer of all available employment and wages between states upon request. The Benefit Payment Promptness Standard, 20 CFR 640, requires the prompt payment of unemployment compensation including benefits paid under the CWC arrangement. The ETA 586 report provides the ETA/Office of Workforce Security with information necessary to measure the scope and effect of the CWC program and monitor the performance of each state in responding to wage transfer requests and the payment of benefits.

Currently, the Department of Labor is soliciting comments concerning the proposed extension of the report for the Interstate Arrangement for Combining Employment and Wages, ETA 586. The Department is particularly interested in comments which:
