**General Grant Administration Terms and Conditions of the Coastal Ocean Program: Announcement of Opportunity**

**AGENCY:** Center for Sponsored Coastal Ocean Research/Coastal Ocean Program (CSCOR/COP), National Ocean Service (NOS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

**ACTION:** Notice for financial assistance and funding opportunity for project grants and cooperative agreements.

**SUMMARY:** It is the intent of NOAA/NOS/CSCOR/COP to provide direct financial assistance in the form of discretionary research grants and cooperative agreements under its program for the management of coastal ecosystems. This document describes the general grant administration terms and conditions of the CSCOR/COP program for fiscal year 2002. Additionally, this document solicits proposals under program

elements, (b) Cumulative Coastal Impacts and (d) Synthesis and Ecological Forecasting, described in this notice. It is the CSCOR/COP's intent to also issue supplemental Announcements of Opportunities (AOs) to request proposals on specific projects throughout the year on an as-needed basis. Any future AOs will be issued through the **Federal Register**. Information regarding these announcements will be made available on the CSCOR/COP Internet Site and CSCOR/COP's e-mail list. These announcements will provide specific program descriptions.

CSCOR/COP supports research on critical issues that exist in the Nation's estuaries, coastal waters, and the Great Lakes and translates research findings into accessible information for coastal managers, planners, lawmakers, and the public. CSCOR/COP's projects are multi-disciplinary, large in scale, and long in duration (usually 3 to 5 years.) Projects covering more than 1 year will usually be funded on an annual basis.

**DATES:** Effective December 4, 2001. Proposals for multiple stressors projects will be due by 3 p.m. e.s.t. on February 19, 2002. Proposals for synthesis projects will be due by 3 p.m. e.s.t. on March 5, 2002. The deadline for receipt of proposals is firm. Note that late-arriving applications provided to a delivery service, on or before the day prior to the closing date, with delivery guaranteed before 3 p.m. e.s.t. on the closing date, will be accepted for review if the applicant can document that the application was provided to the delivery service with delivery to the address listed below (see **ADDRESSES**) guaranteed prior to the specified closing date and time; and in any event, the proposals are received in the COP office no later than 2 business days following the closing date.

**ADDRESSES:** Center for Sponsored Coastal Ocean Research/Coastal Ocean Program, National Oceanic and Atmospheric Administration, 1305 East West Highway, Room 8243, Silver Spring, MD 20910–3281. Proposals for synthesis should be mailed to the address above, attn. SYNTHESIS. Proposals for multiple stressor studies should be mailed to the address above, ATTN: MULTISTRESS.
