

appear appropriate to the work that will be conducted under the award. (5 points)

b. The qualifications of the grant funded positions appear to match the requirements of these positions. (5 points)

Note: If the grant project manager or other member of the professional staff is to be hired later as part of the grant, or should there be any change in professional staff during the grant period, hiring is subject to review and approval by OSC at that time.

4. *Service to Underserved Communities (20 points).* OSC has determined a need to reach out to groups and communities previously underserved, or not served at all, by this grant program or by comparable service providers. This includes identifying employers and employees organizations, faith based groups, non-profit and public service groups or other communities not previously served. It also includes identifying employers and employer organizations with whom the program has not previously interacted. This need is particularly relevant in light of recent world events which have raised the possibility of immigration-status discrimination for groups that may not have previously been subject to such conduct. Applicants should identify groups or communities served by their proposed program, which may be categorized as previously under served. When developing their proposals and budgets and conducting their programs and activities grantee should consider the need for language services for limited English proficient (LEP) persons served or encountered. The Department of Justice has determined that costs associated with providing meaningful access for LEP individuals are considered allowable program cost.

Eligible Applicants: This grant competition is open to all applicants including labor and immigrant organizations, small and large businesses and associations, employer groups and associations, public service or community-based organizations, faith-based organizations and state and local government agencies.

Grant Period and Award Amount: It is anticipated that several grants will be awarded and may range in size from \$35,000 to \$100,000. Publication of this announcement does not require OSC to award any specific number of grants, or to obligate all or any part of available funds. The period of performance will be twelve months from the date of the grant award.

Application Deadline: All applications must be postmarked by

If using regular first classmail, send to: U.S. Department of Justice, Civil Rights Division, Office of Special Counsel for Immigration Related Unfair Employment Practices, 950 Pennsylvania Avenue, NW., Washington, DC 20530.
