

of the purposes of the Act. With respect to the proposal to eliminate the entry fee cap for ETPs and adopt a new fee for each Exchange Rule Filing Amendment, the Exchange does not believe that the changes burden competition, but instead, enhance competition, as they are intended to address the costs associated with preparing an Exchange Rule Filing and Exchange Rule Filing Amendment when Companies require such filings. As such, the proposal is a competitive proposal designed to enhance pricing competition among listing venues and implement pricing for such rule filings that better reflects expenses associated with listing ETPs on the Exchange. The Exchange does not believe the proposed amendment would burden intramarket competition as the proposed fee would be assessed to all issuers uniformly that require more than three Exchange Rule Filings in a given year or an Exchange Rule Filing Amendment.
