

SUPPLEMENTARY INFORMATION: NHTSA has held CIREN public meetings on a regular basis since 2000, including quarterly meetings and annual conferences. This is the eighteenth such meeting. Presentations from these meetings are available through the NHTSA Web site. NHTSA plans to continue holding CIREN meetings on a regular basis to disseminate CIREN information to interested parties. Individual CIREN cases collected since 1998 may be viewed from the NHTSA/CIREN Web site at the address provided above. At this public meeting, the CIREN Centers will be giving presentations on topics including side impact response; comparisons between anthropomorphic test device response and real-world injury; lumbar spine fractures; and evaluations of safety systems and vehicle design.

Should it be necessary to cancel the meeting due to inclement weather or to any other emergencies, a decision to cancel will be made as soon as possible and posted immediately on CIREN's Web site as indicated above. If you do not have access to the Web site, you may call or e-mail the contacts listed in this announcement and leave your telephone number or e-mail address. You will be contacted only if the meeting is postponed or canceled.

Issued on: August 26, 2009.

John Maddox,

Associate Administrator for Vehicle Safety Research.

DEPARTMENT OF TRANSPORTATION**Federal Aviation Administration**

[Docket No: FAA-2010-22842]

Notice of Opportunity To Participate, Criteria Requirements and Application Procedure for Participation in the Military Airport Program (MAP).

AGENCY: Federal Aviation Administration (FAA), Department of Transportation (DOT).

ACTION: Notice of criteria and application procedures for designation or redesignation, in the Military Airport Program (MAP), for the fiscal year 2010.

SUMMARY: In anticipation of Congress enacting a reauthorization of the Airport Improvement Program (AIP) the FAA is publishing this annual notice. This notice announces the criteria, application procedures, and schedule to

be applied by the Secretary of Transportation in designating or redesignating, and funding capital development annually for up to 15 current (joint-use) or former military airports seeking designation or redesignation to participate in the MAP. While FAA currently has continuing authority to designate or redesignate airports, FAA does not have authority to issue grants for fiscal year 2010 MAP, and will not have authority until Congress enacts legislation enabling FAA to issue grants.

The MAP allows the Secretary to designate current (joint-use) or former military airports to receive grants from the Airport Improvement Program (AIP). The Secretary is authorized to designate an airport (other than an airport designated before August 24, 1994) only if:

- (1) The airport is a former military installation closed or realigned under the Title 10 U.S.C. Sec. 2687 (announcement of closures of large Department of Defense installations after September 30, 1977), or under Section 201 or 2905 of the Defense Authorization Amendments and Base Closure and Realignment Acts; or
- (2) the airport is a military installation with both military and civil aircraft operations.

The Secretary shall consider for designation only those current or former military airports, at least partly converted to civilian airports as part of the national air transportation system, that will reduce delays at airports with more than 20,000 hours of annual delays in commercial passenger aircraft takeoffs and landings, or will enhance airport and air traffic control system capacity in metropolitan areas, or reduce current and projected flight delays (49 U.S.C. 47118(c)).

DATES: Applications must be received on or before November 3, 2009.

ADDRESSES: Submit an original and two copies of Standard Form (SF) 424, "Application for Federal Assistance," prescribed by the Office of Management and Budget Circular A-102, available at http://www.faa.gov/airports_airtraffic/airports/regional_guidance/northwest_mountain/airports_resources/forms/media/applications/application_sf_424.doc

along with any supporting and justifying documentation. Applicant should specifically request to be considered for designation or redesignation to participate in the fiscal year 2010 MAP. Submission should be sent to the Regional FAA Airports Division or Airports District Office that serves the airport. Applicants may find the proper office on the FAA Web site http://www.faa.gov/airports_airtraffic/airports/regional_guidance/ or may contact the office below.

FOR FURTHER INFORMATION CONTACT: Mr. Kendall Ball (Kendall.Ball@faa.gov), Airports Financial Assistance Division (APP-500), Office of Airport Planning and Programming, Federal Aviation Administration (FAA), 800 Independence Avenue, SW., Washington, DC, 20591, (202) 267-7436.

SUPPLEMENTARY INFORMATION:**General Description of the Program**

The MAP provides capital development assistance to civil airport sponsors of designated current (joint-use) military airfields or former military airports that are included in the FAA's National Plan of Integrated Airport Systems (NPIAS). Airports designated to the MAP may obtain funds from a set-aside (currently four percent) of AIP discretionary funds for airport development, including certain projects not otherwise eligible for AIP assistance. These airports are also eligible to receive grants from other categories of AIP funding.

Number of Airports

A maximum of 15 airports per fiscal year (FY) may participate in the MAP. There are 6 slots available for designation or redesignation in FY 2010. There is no general aviation slot available this year.

Term of Designation

The maximum term is five fiscal years following designation. The FAA can designate airports for a period of less than five years. The FAA will evaluate the conversion needs of the airport in its capital development plan to determine the appropriate length of designation.
