

CDFI Fund, administers the NMTC Program, which provides an incentive to investors in the form of tax credits over seven years, expected to stimulate the provision of private investment capital that, in turn, will facilitate economic and community development in low-income communities. In order to qualify for an allocation of tax credits through the NMTC Program, an entity must be certified as a qualified CDE and submit an allocation application to the CDFI Fund. Nonprofit entities and for-profit entities may be certified as CDEs by the CDFI Fund. In order to be certified as a CDE, an entity must be a domestic corporation or partnership, that: (1) has a primary mission of serving or providing investment capital for low-income communities or low-income persons; and (2) maintains accountability to residents of low-income communities through their representation on any governing or advisory board of the entity.

Current Actions: Renewal of existing information collection.

Type of Review: Regular review.

Affected Public: CDEs and entities seeking CDE certification, including business or other for-profit institutions, nonprofit entities, and State, local and Tribal entities.

Estimated Number of Respondents: 300.

Estimated Annual Time per Respondent: 4 hours.

Estimated Total Annual Burden Hours: 1,200 hours.

Requests for Comments: Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval. All comments will become a matter of public record and may be published on the CDFI Fund website at <http://www.cdfifund.gov>. Comments are invited on: (a) whether the collection of information is necessary for the proper performance of the functions of the CDFI Fund, including whether the information shall have practical utility; (b) the accuracy of the CDFI Fund's estimate of the burden of the collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; (d) ways to minimize the burden of the collection of information on respondents, including through the use of technology; and (e) estimates of capital or start-up costs and costs of operation, maintenance, and purchase of services to provide information.
