Proposed Collection: Progress Reports for Center for Global Health's Low and Mid-Income Countries (LMICs) Global Health Collaborations, 0925-NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information Collection: The Center for Global Health's (CGH) Low and Mid-Income Countries (LMICs) Global Health Collaborations is proposing new program specific progress report guidelines. The CGH LMIC Global

Health Collaborations are part of a pilot initiative and partnership, between the NCI CGH and the Office of Cancer Centers (OCC), to promote collaborations between the NCI designated Cancer Centers and foreign institutions from Low and Middle Income Countries (LMICs). This collaboration is designed to develop and implement mutually beneficial global cancer research programs by increasing the capability of these countries to participate and partner in cancer research. The proposed guidelines request information about award performance related to objectives, accomplishments, barriers and challenges, collaborators, and findings. The information is gathered six months into the award and 12 months after the award (upon expiry). This information

is needed to monitor the performance of this special program within NCI, funded through three Request for Proposals (RFPs); the first was released April 18, 2013 and CGH expects to release another in 2014 and the final one in 2015. The respondents are the Principal Investigators of the awards. The information will be used to monitor individual award performance and the effectiveness of the program as a whole. Since these projects are funded through the contract mechanism, the PIs will not be required to submit interim and final progress reports like other National Institutes of Health grantees must.

OMB approval is requested for 3 years. There are no costs to respondents other than their time. The total estimated annualized burden hours are 83.

ESTIMATED ANNUALIZED BURDEN HOURS

Type of respondents	Form name	Number of respondents	Number of responses per respondent	Average time per response (in hours)	Total annual burden hours
Principal Investigators	6 Month Report	15	1	90/60	23
Principal Investigators	12 Month Report	15	1	4	60

Dated: July 22, 2014.

Karla Bailey,

NCI Project Clearance Liaison, National Institutes of Health.

Center for Scientific Review ;Notice of Closed Meeting

Pursuant to section 10(d) of the Federal Advisory Committee Act, as amended (5 U.S.C. App.), notice is hereby given of the following meeting.

The meeting will be closed to the public in accordance with the provisions set forth in sections 552b(c)(4) and 552b(c)(6), Title 5 U.S.C., as amended. The grant applications and the discussions could disclose confidential trade secrets or commercial property such as patentable material, and personal information concerning individuals associated with the grant applications, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy.

Name of Committee: Center for Scientific Review Special Emphasis Panel; Small

Business: HIV/AIDS Innovative Research Applications.

Date: August 1, 2014.

Time: 9:00 a.m. to 2:00 p.m.

Agenda: To review and evaluate grant applications.

Place: National Institutes of Health, 6701 Rockledge Drive, Bethesda, MD 20892, (Virtual Meeting)

Contact Person: Mark P Rubert, Ph.D., Scientific Review Officer, Center for Scientific Review, National Institutes of Health, 6701 Rockledge Drive, Room 5218, MSC 7852, Bethesda, MD 20892, 301-435-1775, rubertm@csr.nih.gov.

This notice is being published less than 15 days prior to the meeting due to the timing limitations imposed by the review and funding cycle.

(Catalogue of Federal Domestic Assistance Program Nos. 93.306, Comparative Medicine; 93.333, Clinical Research, 93.306, 93.333, 93.337, 93.393-93.396, 93.837-93.844, 93.846-93.878, 93.892, 93.893, National Institutes of Health, HHS)

Dated: July 22, 2014.

Michelle Trout,

Program Analyst, Office of Federal Advisory Committee Policy.
