DEPARTMENT OF LABOR

Agency Information Collection Activities; 4,4'-Methylenedianiline in Construction

ACTION: Notice of availability; request for comments.

SUMMARY: The Department of Labor (DOL) is submitting this Occupational Safety & Health Administration (OSHA)-sponsored information collection request (ICR) to the Office of Management and Budget (OMB) for review and approval in accordance with the Paperwork Reduction Act of 1995 (PRA). Public comments on the ICR are invited.

DATES: The OMB will consider all written comments that the agency receives on or before August 12, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting “Currently under 30-day Review—Open for Public Comments” or by using the search function.

Comments are invited on: (1) whether the collection of information is necessary for the proper performance of the functions of the Department, including whether the information will have practical utility; (2) the accuracy of the agency’s estimates of the burden and cost of the collection of information, including the validity of the methodology and assumptions used; (3) ways to enhance the quality, utility and clarity of the information collection; and (4) ways to minimize the burden of the collection of information on those who are to respond, including the use of automated collection techniques or other forms of information technology.

FOR FURTHER INFORMATION CONTACT: Nicole Bouchet by telephone at 202–693–0213, or by email at DOL_PRA_PUBLIC@dol.gov.

SUPPLEMENTARY INFORMATION: The purpose of this Standard and its information collection requirements is to provide protection for workers from adverse health effects associated with occupational exposure to Methylenedianiline in the construction industry. Employers must monitor exposure, ensure worker exposures are within the permissible exposure limits, provide workers with medical examinations and training, and establish and maintain worker exposure-monitoring and medical records. For additional substantive information about this ICR, see the related notice published in the **Federal Register** on May 2, 2022 (87 FR 25675).

This information collection is subject to the PRA. A Federal agency generally cannot conduct or sponsor a collection of information, and the public is generally not required to respond to an information collection, unless the OMB approves it and displays a currently valid OMB Control Number. In addition, notwithstanding any other provisions of law, no person shall generally be subject to penalty for failing to comply with a collection of information that does not display a valid OMB Control Number. See 5 CFR 1320.5(a) and 1320.6.

DOL seeks PRA authorization for this information collection for three (3)

years. OMB authorization for an ICR cannot be for more than three (3) years without renewal. The DOL notes that information collection requirements submitted to the OMB for existing ICRs receive a month-to-month extension while they undergo review.

DEPARTMENT OF LABOR

Notice of Final Determination To Add Cambodia Bricks to the List of Products Requiring Federal Contractor Certification as to Forced or Indentured Child Labor Pursuant to Executive Order 13126

AGENCY: Bureau of International Labor Affairs, Department of Labor.

ACTION: Notice of final determination.

SUMMARY: This notice is a final determination to revise the list required by Executive Order No. 13126 (“Prohibition of Acquisition of Products Produced by Forced or Indentured Child Labor”, hereafter the E.O. List). The E.O. List identifies a list of products, by their country of origin, that the Department of Labor (DOL), in consultation and cooperation with the Department of State (DOS) and the Department of Homeland Security (DHS) (collectively, the Departments), has a reasonable basis to believe might have been mined, produced, or manufactured by forced or indentured child labor. The Departments proposed adding bricks from Cambodia to the E.O. List in a Notice of Initial Determination that was published in the **Federal Register** on October 2, 2020. After a thorough review of the comments received and information available, the Departments have determined that the use of forced child labor in brick kilns in Cambodia has been occurring in more than isolated incidents. As a result, this

product meets the criteria for inclusion in the E.O. List.

SUPPLEMENTARY INFORMATION: This final determination is the sixth revision of the E.O. List required by E.O. 13126 in accordance with DOL’s Procedural Guidelines for the Maintenance of the List of Products Requiring Federal Contractor Certification as to Forced or Indentured Child Labor (Procedural Guidelines).

I. Initial Determination

On October 2, 2020, DOL, in consultation and cooperation with DOS and DHS, published a Notice of Initial Determination in the **Federal Register** proposing to add bricks from Cambodia to the E.O. List.¹ The initial determination stated the Departments had preliminarily determined that there was a reasonable basis to believe that bricks from Cambodia might have been mined, produced, or manufactured by forced or indentured child labor. Public comments remained open until December 1, 2020 on whether bricks from Cambodia should be added to the E.O. List, as well as any other issues related to the fair and effective implementation of E.O. 13126. The initial determination, and the public comments submitted, can be viewed at Docket ID No. DOL–2020–0008 or requested from Nadia Al-Dayel at: Office of Child Labor, Forced Labor, and Human Trafficking (OCFT), Bureau of International Labor Affairs, Room S–5317, U.S. Department of Labor, 200 Constitution Avenue NW, Washington, DC 20210; telephone: (202) 693–4896, email: Al-Dayel.Nadia.A@dol.gov. Individuals with hearing or speech impairments may access the telephone number above via TTY by calling the Federal Information Relay Service at 1–877–889–5627.

II. Public Comment Period

During the public comment period, two comments were submitted. One comment received was an electronic message; however, the Department of Labor determined that the content of the comment was not applicable to the Notice of Initial Determination. The other comment received was a letter from the Minister of Labour and Vocational Training, on behalf of the Government of Cambodia. This comment is available for public viewing at <http://www.regulations.gov> (reference Docket ID No. DOL–2020–0008).
