Rule 71, Form U-12(I)-A and Form U-12(I)-B; SEC File No. 270-61; OMB Control No. 3235-0173

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") is soliciting comments on the collection of information summarized below. The Commission plans to submit this existing collection

of information to the Office of Management and Budget ("OMB") for extension and approval.

Rule 71 [17 CFR 250.71], under the Public Utility Holding Company Act of 1935, as amended ("Act"), (15 U.S.C. 79 *et seq.*), requires that certain information be filed by employees of registered holding companies who represent the companies' interests before Congress, the Commission or the Federal Energy Regulatory Commission on either Form U-12(I)-A or Form U-12(I)-B. The filings must provide, among other things, the identity of the representative, the person's position and compensation and a quarterly statement of those expenses not incurred in the ordinary course of business. Employees appearing for the first time must file this information on Form U-12(I)-A within ten days of an appearance. Employees appearing on a regular basis may file the information in advance on Form U-12(I)-B, which will remain valid for the remainder of the year in which it was first filed and for the following two calendar years. Thereafter, it may be renewed for additional three-year periods within thirty days of the expiration of the prior filing.

The information collection prescribed by Form U-12(I)-A and Form U-12(I)-B is required by rule 71 under the Act. Rule 71 implements section 12(i) of the Act, which expressly requires the filing of the prescribed disclosure information with the Commission in the interest of investors and consumers. The Commission estimates that the total annual reporting burden of collections under rule 71 is 167 hours (250 responses  $\times$  forty minutes = 167 burden hours).

The estimates of average burden hours are made for the purposes of the Paperwork Reduction Act and are not derived from a comprehensive or even a representative survey or study of the costs of Commission rules and forms.

Written comments are invited on: (1) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility; (2) the accuracy of the agency's estimate of the burden of the collection of information; (3) ways to enhance the quality, utility, and clarity of the information collected; and (4) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology. Consideration will be given to comments and suggestions submitted in writing within 60 days of this publication.

## SECURITIES AND EXCHANGE COMMISSION

### Submission for OMB Review; Comment Request

#### Extension:

Rule 15Bc3-1 and Form MSDW; SEC File No. 270-93; OMB Control No. 3235-0087

Notice is hereby given that, pursuant to the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*), the Securities and Exchange Commission ("Commission") has submitted to the Office of Management and Budget ("OMB") a request for approval of extension of the previously approved collection of information discussed below.

Rule 15Bc3-1 under the Securities Exchange Act of 1934 provides that a notice of withdrawal from registration with the Commission as a bank municipal securities dealer must be filed on Form MSDW.

The Commission uses the information submitted on Form MSDW in determining whether it is in the public interest to permit a bank municipal securities dealer to withdraw its registration. This information is also important to the municipal securities dealer's customers and to the public, because it provides, among other things, the name and address of a person to contact regarding any of the municipal securities dealer's unfinished business.

Based upon past submissions, the staff estimates that approximately 20 respondents will utilize this notice annually, with a total burden for all respondents of 10 hours. The staff estimates that the average number of hours necessary to comply with the requirements of Rule 15Bc3-1 is 0.5 hours. The average cost per hour is approximately \$101. Therefore, the total cost of compliance for the respondents is \$1010 (\$101  $\times$  0.5  $\times$  20 = \$1010).
