DEPARTMENT OF THE INTERIOR**National Park Service**

**Information Quality Guidelines
pursuant to Section 515 of the
Treasury and General Government
Appropriations Act for Fiscal Year
2001**

AGENCY: Department of Interior,
National Park Service.

ACTION: Notice of availability of
Information Quality Guidelines.

SUMMARY: The National Park Service is announcing the availability of Information Quality Guidelines in order to comply with the guidelines issued by the Office of Management and Budget in the **Federal Register**, Vol., 2, No. 67, dated January 2, 2002, and reissued February 2, 2002, Vol., 67, No. 36, for implementing Section 515(a) of the Treasury and General Government Appropriations Act for Fiscal Year 2001 (Pub. L. 106–554; HR 5658).

FOR FURTHER INFORMATION CONTACT: Persons interested in reviewing the final Information Quality Guidelines are encouraged to access the guidelines at website <http://data2.itc.nps.gov/npspolicy/Dorders.cfm> Individuals are also encouraged to contact the National Park Service, Washington Administrative Program Center, (Attn: Deke Cripe) 1849 C Street, NW, Mail Stop 2605, Washington, DC 20240: Phone 202–354–1927.

SUPPLEMENTARY INFORMATION: The National Park Service disseminates a wide variety of information to the public, including organizational information, natural and cultural resource information, and budget information. Organizational information includes general descriptive information about the NPS and its component parks and offices. Examples include the parks' history, functions, and legislative authorities; organizational charts, the offices within the parks and their functions; the parks' strategic and performance plans and their budgetary information; and information pertaining to the parks' history, natural and cultural resources and administrative processes. This document is the basis for National Park Service policy to assure the quality of the information it disseminates.

Richard G. Cripe,
*Manager, Washington Administrative
Program Center.*

**INTERNATIONAL TRADE
COMMISSION**

[Investigations Nos. 701–TA–417–419 and
731–TA–953, 954, 956–959, 961, and 962
(Final)]

**Carbon and Certain Alloy Steel Wire
Rod From Brazil, Canada, Germany,
Indonesia, Mexico, Moldova, Trinidad
and Tobago, and Ukraine**

Determinations

On the basis of the record ¹ developed in the subject investigations, the United States International Trade Commission determines, pursuant to section 705(b) of the Tariff Act of 1930 (19 U.S.C. 1671d(b)) (the Act), that an industry in the United States is materially injured by reason of imports from Brazil and Canada of carbon and certain alloy steel wire rod ² that have been found by the Department of Commerce (Commerce) to be subsidized by the Governments of Brazil and Canada. The Commission also determines, pursuant to section 735(b) of the Act (19 U.S.C. 1673d(b)), that an industry in the United States is materially injured by reason of imports from Brazil, Canada, Indonesia, Mexico, Moldova, Trinidad and Tobago, and Ukraine of carbon and certain alloy steel wire rod that have been found by Commerce to be sold in the United States at less than fair value (LTFV).³

¹ The record is defined in 207.2(f) of the Commission's Rules of Practice and Procedure (19 CFR 207.2(f)).

² The merchandise covered by these investigations is certain hot-rolled products of carbon steel and alloy steel, in coils, of approximately round cross section, 5.0 mm or more but less than 19.0 mm, in solid cross-sectional diameter. Specifically excluded are steel products possessing the above-noted physical characteristics and meeting the *Harmonized Tariff Schedule of the United States (HTS)* definitions for (a) stainless steel, (b) tool steel, (c) high nickel steel, (d) ball bearing steel, and (e) concrete reinforcing bars and rods. Also excluded are (f) free machining steel products (*i.e.*, products that contain by weight one or more of the following elements: 0.03 percent or more of lead, 0.05 percent or more of bismuth, 0.08 percent or more of sulfur, more than 0.04 percent of phosphorus, more than 0.05 percent of selenium, or more than 0.01 percent of tellurium). Also excluded from the scope are grade 1080 tire cord and tire bead quality wire rod that comport with the specifications, definitions, and applications set forth in Commerce's revised scope language (see, for example, Commerce's final determination of sales at LTFV concerning Canada, 67 FR 55782, August 30, 2002). All products meeting the physical description of subject merchandise that are not specifically excluded are included in the scope of these investigations. The subject merchandise is provided for in HTS subheadings 7213.91, 7213.99, 7227.20, and 7227.90.60.

³ Chairman Deanna Tanner Okun determines that an industry in the United States is not materially injured or threatened with material injury, and the establishment of an industry in the United States is not materially retarded, by reason of imports from Trinidad and Tobago of carbon and certain alloy steel wire rod that have been found by Commerce to be sold in the United States at LTFV.
