This helps the Department assess the impact of its information collection requirements and minimize the public's reporting burden. It also helps the public understand the

Department's information collection requirements and provide the requested data in the desired format. ED is soliciting comments on the proposed information collection request (ICR) that is described below. The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology. Please note that written comments received in response to this notice will be considered public records.

Title of Collection: 2016 Main National Assessment of Educational Progress (NAEP) Administration

OMB Control Number: 1850–0790

Type of Review: A revision of an existing information collection

Respondents/Affected Public: Individuals

Total Estimated Number of Annual Responses: 74,193

Total Estimated Number of Annual Burden Hours: 40,156

Abstract: The National Assessment of Educational Progress (NAEP) is a federally authorized survey of student achievement at grades 4, 8, and 12 in various subject areas, such as mathematics, reading, writing, science, U.S. history, civics, geography, economics, and the arts. In the current legislation that reauthorized NAEP (20 U.S.C. 9622), Congress again mandated the collection of national education survey data through a national assessment program. This submission is for the 2016 Main NAEP and contains the following survey instruments: Grades 4, 8, and 12 core (demographic) student questions; grade 8 arts subject-specific student questions; grades 4 and 8 reading subject-specific student questions; grades 4 and 8 mathematics subject-specific student questions; grades 8 and 12 writing subject-specific student questions; grades 4 and 8 Puerto Rico Proof of Concept Study questions; grades 4 and 8 teacher questionnaires; and grades 4, 8, and 12 school questionnaires.
