

expertise in sustainable development and sustainable facilities (e.g., non-profit organizations, universities, trade associations, organizations that practice sustainable development, etc.) in connection with its Environmentally Responsible Redevelopment and Reuse (ER3) initiative. Please note that EPA will not compensate cooperating organizations for their efforts in connection with this initiative.

DATES: Statements of interest are due by 5 p.m. e.s.t. on June 21, 2005.

ADDRESSES: Please mail applications to Phil Page, Environmental Protection Agency, Office of Site Remediation Enforcement, Ariel Rios Building, 1200 Pennsylvania Ave. NW., M/C 2273A, Washington, DC 20460. In the alternative, you may e-mail applications to page.phil@epa.gov.

FOR FURTHER INFORMATION CONTACT: Phil Page, (202) 564-4211, or Erin Smith, (202) 564-2038, or go to <http://www.epa.gov/compliance/cleanup/redeveloper3>.

SUPPLEMENTARY INFORMATION: ER3, a new initiative sponsored by OECA, has several components, one of which is developing working relationships with one or more interested organizations that have expertise in sustainable development.

The purpose of ER3 is to encourage the reuse and redevelopment of contaminated and previously-contaminated property in an environmentally responsible manner, incorporating concepts such as green building design, construction and operation; ecological and greenspace enhancement; energy efficiency; the use of renewable energy sources; environmental management systems; storm water and wastewater management; pollution prevention; waste minimization and recycling; and healthy buildings. As part of the ER3 initiative, OSRE is willing to provide incentives, where necessary, to entities that plan to redevelop contaminated or formerly-contaminated property (e.g., communities, developers, or other organizations) to encourage these entities to incorporate sustainability concepts into their projects.

To assist redevelopers with the logistics of integrating environmentally-superior redevelopment and reuse concepts into particular projects, OSRE is forming, in part through this notice, a network of governmental and non-governmental partners. The ER3 network partners will serve as a source of general information to redevelopers (for example, through information on a Web site). Further, an ER3 network partner may provide services on a

particular project for compensation if the redeveloper and ER3 network partner enter into a separate working agreement. EPA will not be a party to these agreements.

Through this initiative, OSRE hopes to identify organizations with expertise consistent with the sustainable development concepts noted above, and collaborate with the selected organizations to establish one part of the ER3 network. Once OSRE has identified a variety of organizations, it will enter into a non-financial cooperation agreement with each organization that acknowledges both the organization's expertise in sustainability concepts and the working relationship between the organization and OSRE. The agreements will recognize expertise that may be valuable to reuse and redevelopment efforts in connection with the ER3 initiative. The agreements will not provide an endorsement of any particular ER3 partner's products and services, nor are they a vehicle for these entities to receive compensation of any type from the Agency. However, nothing in this process prohibits selected EPA partners from entering into private agreements for compensation with those entities engaged in the reuse or redevelopment process. Further, EPA may enter into separate financial transactions with cooperative partners to the extent consistent with applicable procurement and financial assistance regulations and policies governing competition. OSRE may, with the permission of the selected organizations, post links to the organizations' Web sites on EPA's ER3 Web page to provide additional information and resources to entities that visit the ER3 site.

Organizations that wish to participate in this initiative must send a statement of interest to the address listed below. The statement of interest must include: (1) A statement that identifies (a) the areas of expertise of the organization with respect to the concepts discussed above (green building design, construction and operation; ecological and greenspace enhancement; energy efficiency; the use of renewable energy sources; environmental management systems; storm water and wastewater management; pollution prevention; waste minimization and recycling; and healthy buildings); (b) the manner in which the organization can assist entities with incorporating sustainability concepts into the redevelopment and reuse of contaminated or formerly-contaminated property; and (c) examples of relevant projects in which the organization has participated, along with the

organization's role in the projects; (2) applicable brochures or similar information for the organization; and (3) contact information. OSRE will make its selections based upon the extent to which an organization can effectively cooperate with OSRE and private entities in many areas of sustainable development and sustainable facilities, geographic location, and experience with respect to contaminated properties and brownfield sites.

Fitzgerald, Program Analyst, Office of Supervision, Community Investment and Affordable Housing, by telephone at 202–408–2874, by electronic mail at FITZGERALDE@FHFB.GOV, or by regular mail at the Federal Housing Finance Board, 1777 F Street NW., Washington, DC 20006.

SUPPLEMENTARY INFORMATION:

I. Selection for Community Support Review

Section 10(g)(1) of the Federal Home Loan Bank Act (Bank Act) requires the

Finance Board to promulgate regulations establishing standards of community investment or service Bank members must meet in order to maintain access to long-term advances. *See* 12 U.S.C. 1430(g)(1). The regulations promulgated by the Finance Board must take into account factors such as the Bank member's performance under the Community Reinvestment Act of 1977 (CRA), 12 U.S.C. 2901 *et seq.*, and record of lending to first-time homebuyers. *See* 12 U.S.C. 1430(g)(2). Pursuant to section 10(g) of the Bank Act, the Finance Board has promulgated a community support requirements regulation that establishes standards a Bank member must meet in order to maintain access to long-term advances, and review criteria the Finance Board must apply in evaluating a member's community support performance. *See* 12 CFR part 944. The regulation includes standards and criteria for the two statutory factors—CRA performance and record of lending to first-time homebuyers. 12 CFR 944.3. Only members subject to the CRA must meet the CRA standard. 12 CFR 944.3(b). All members, including those not subject to CRA, must meet the first-time homebuyer standard. 12 CFR 944.3(c).

Under the rule, the Finance Board selects approximately one-eighth of the members in each Bank district for community support review each

calendar quarter. 12 CFR 944.2(a). The Finance Board will not review an institution's community support performance until it has been a Bank member for at least one year. Selection for review is not, nor should it be construed as, any indication of either the financial condition or the community support performance of the member.

Each Bank member selected for review must complete a Community Support Statement and submit it to the Finance Board by the May 26, 2005 deadline prescribed in this notice. 12 CFR 944.2(b)(1)(ii) and (c). On or before April 28, 2005, each Bank will notify the members in its district that have been selected for the 2004–05 fifth quarter community support review cycle that they must complete and submit to the Finance Board by the deadline a Community Support Statement. 12 CFR 944.2(b)(2)(i). The member's Bank will provide a blank Community Support Statement Form, which also is available on the Finance Board's Web site: <http://www.fhfb.gov>. Upon request, the member's Bank also will provide assistance in completing the Community Support Statement.

FEDERAL TRADE COMMISSION

Agency Information Collection Activities; Reinstatement of Existing Collection; Comment Request

AGENCY: Federal Trade Commission (Commission or FTC).

ACTION: Notice.

SUMMARY: The FTC intends to conduct a survey of consumers to advance its understanding of the incidence of consumer fraud and to allow the FTC to better serve people who experience fraud. The survey is a follow-up to the FTC's Consumer Fraud Survey conducted in 2003 and released in August 2004. Before gathering this information, the FTC is seeking public comments on its proposed consumer research. Comments will be considered before the FTC submits a request for Office of Management and Budget (OMB) review under the Paperwork Reduction Act (PRA), 44 U.S.C. 3501-3520.

DATES: Comments must be submitted on or before June 21, 2005.

ADDRESSES: Interested parties are invited to submit written comments. Comments should refer to "Consumer Fraud Survey: FTC File No. P014412" to facilitate the organization of comments. A comment filed in paper form should include this reference both in the text and on the envelope and should be mailed or delivered to the following address: Federal Trade Commission/Office of the Secretary, Room H-159 (Annex E), 600 Pennsylvania Avenue, NW., Washington, DC 20580. The FTC is requesting that any comment filed in paper form be sent by courier or overnight service, if possible, because U.S. postal mail in the Washington area and at the Commission is subject to delay due to heightened security precautions. Alternatively, comments may be filed in electronic form (in ASCII format, WordPerfect, or Microsoft Word) as part of or as an attachment to e-mail messages directed to the following e-mail box:

consumersurvey@ftc.gov. If the comment contains any material for which confidential treatment is requested, it must be filed in paper form, and the first page of the document must be clearly labeled "Confidential."¹

¹ Commission Rule 4.2(d), 16 CFR 4.2(d). The comment must be accompanied by an explicit request for confidential treatment, including the factual and legal basis for the request, and must identify the specific portions of the comment to be withheld from the public record. The request will be granted or denied by the Commission's General Counsel, consistent with applicable law and the public interest. See Commission Rule 4.9(c), 16 CFR 4.9(c).

The FTC Act and other laws the Commission administers permit the collection of public comments to consider and use in this proceeding as appropriate. All timely and responsive public comments will be considered by the Commission and will be available to the public on the FTC Web site, to the extent practicable, at <http://www.ftc.gov>. As a matter of discretion, the FTC makes every effort to remove home contact information for individuals from the public comments it receives before placing those comments on the FTC Web site. More information, including routine uses permitted by the Privacy Act, may be found in the FTC's privacy policy at <http://www.ftc.gov/ftc/privacy.htm>.

FOR FURTHER INFORMATION CONTACT:

Requests for additional information should be addressed to Nathaniel C. Wood, Assistant Director, Officer of Consumer and Business Education, Bureau of Consumer Protection, Federal Trade Commission, 601 Pennsylvania Avenue, NW., NJ-2267, Washington, DC 20580, (202) 326-3407, consumersurvey@ftc.gov.

SUPPLEMENTARY INFORMATION: Under the PRA, federal agencies must obtain approval from OMB for each collection of information they conduct or sponsor. "Collection of information" means agency requests or requirements that members of the public submit reports, keep records, or provide information to a third party. 44 U.S.C. 3502(3), 5 CFR 1320.3(c). In 2003, OMB approved the FTC's request to conduct a survey on consumer fraud and assigned OMB Control Number 3084-0125. The FTC completed the consumer research in June 2003 and issued its report, *Consumer Fraud in the United States: An FTC Survey*, in August 2004.² As required by section 3506(c)(2)(A) of the PRA, the FTC is providing this opportunity for public comment before requesting that OMB reinstate the clearance for the survey, which expired in December 2003.

The FTC invites comments on: (1) Whether the proposed collections of information are necessary for the proper performance of the functions of the FTC, including whether the information will have practical utility; (2) the accuracy of the FTC's estimate of the burden of the proposed collections of information; (3) ways to enhance the quality, utility, and clarity of the information to be collected; and (4) ways to minimize the burden of collecting information on those who are to respond, including
