[Docket No. FAA–2020–0877; Airspace
Docket No. 20–ASW–8]

RIN 2120–AA66

**Amendment of Class E Airspace;
Mineola and Kenedy, TX**

AGENCY: Federal Aviation
Administration (FAA), DOT.

ACTION: Final rule.

SUMMARY: This amends amend the Class E airspace extending upward from 700 feet above the surface at Mineola Wisener Field, Mineola, TX, and Kenedy Regional Airport, Kenedy, TX. This action is the result of airspace reviews caused by the decommissioning of the Quitman VHF and Three Rivers omnidirectional range (VOR) navigation aids as part of the VOR Minimum Operational Network (MON) Program. The name of the airport is also being updated to coincide with the FAA's aeronautical database.

DATES: Effective 0901 UTC, February 25, 2021. The Director of the Federal Register approves this incorporation by reference action under Title 1 Code of Federal Regulations part 51, subject to the annual revision of FAA Order 7400.11 and publication of conforming amendments.

SUPPLEMENTARY INFORMATION:

Authority for This Rulemaking

The FAA's authority to issue rules regarding aviation safety is found in Title 49 of the United States Code.

Subtitle I, Section 106 describes the authority of the FAA Administrator. Subtitle VII, Aviation Programs, describes in more detail the scope of the agency's authority. This rulemaking is promulgated under the authority described in Subtitle VII, Part A, Subpart I, Section 40103. Under that section, the FAA is charged with prescribing regulations to assign the use of airspace necessary to ensure the safety of aircraft and the efficient use of airspace. This regulation is within the scope of that authority as it amends the Class E airspace extending upward from 700 feet above the surface at Mineola Wisener Field, Mineola, TX, and Kenedy Regional Airport, Kenedy, TX, to support instrument flight rule operations at these airports.

History

The FAA published a notice of proposed rulemaking in the **Federal Register** (85 FR 67324; October 22, 2020) for Docket No. FAA–2020–0877 to amend the Class E airspace extending upward from 700 feet above the surface at Mineola Wisener Field, Mineola, TX, and Kenedy Regional Airport, Kenedy, TX. Interested parties were invited to participate in this rulemaking effort by submitting written comments on the proposal to the FAA. No comments were received.

Class E airspace designations are published in paragraph 6005 of FAA Order 7400.11E, dated July 21, 2020, and effective September 15, 2020, which is incorporated by reference in 14 CFR 71.1. The Class E airspace designations listed in this document will be published subsequently in the Order.

Availability and Summary of Documents for Incorporation by Reference

This document amends FAA Order 7400.11E, Airspace Designations and Reporting Points, dated July 21, 2020, and effective September 15, 2020. FAA Order 7400.11E is publicly available as listed in the **ADDRESSES** section of this document. FAA Order 7400.11E lists Class A, B, C, D, and E airspace areas, air traffic service routes, and reporting points.

The Rule

This amendment to Title 14 Code of Federal Regulations (14 CFR) part 71:

Amends the Class E airspace extending upward from 700 feet above the surface to within a 6-mile (decreased from a 6.3-mile) radius of Mineola Wisener Field, Mineola, TX;

And amends the Class E airspace extending upward from 700 feet above the surface at Kenedy Regional Airport,

Kenedy, TX, by removing the Three Rivers VORTAC and the associated extensions from the airspace legal description; updates the name of the airport (previously Karnes County Airport) to coincide with the FAA's aeronautical database; and removes the city associated with the airport to comply with changes to FAA Order 7400.2M, Procedures for Handling Airspace Matters.

This action is the result of airspace reviews caused by the decommissioning of the Quitman and Three Rivers VORs, which provided navigation information for the instrument procedures these airports, as part of the VOR MON Program.

FAA Order 7400.11, Airspace Designations and Reporting Points, is published yearly and effective on September 15.

Regulatory Notices and Analyses

The FAA has determined that this regulation only involves an established body of technical regulations for which frequent and routine amendments are necessary to keep them operationally current, is non-controversial and unlikely to result in adverse or negative comments. It, therefore: (1) Is not a “significant regulatory action” under Executive Order 12866; (2) is not a “significant rule” under DOT Regulatory Policies and Procedures (44 FR 11034; February 26, 1979); and (3) does not warrant preparation of a regulatory evaluation as the anticipated impact is so minimal. Since this is a routine matter that only affects air traffic procedures and air navigation, it is certified that this rule, when promulgated, does not have a significant economic impact on a substantial number of small entities under the criteria of the Regulatory Flexibility Act.

Environmental Review

The FAA has determined that this action qualifies for categorical exclusion under the National Environmental Policy Act in accordance with FAA Order 1050.1F, “Environmental Impacts: Policies and Procedures,” paragraph 5–6.5.a. This airspace action is not expected to cause any potentially significant environmental impacts, and no extraordinary circumstances exist that warrant preparation of an environmental assessment.

DEPARTMENT OF JUSTICE**28 CFR Part 58**

[Docket No: EOUST 105]

RIN 1105–AB30

Procedures for Completing Uniform Periodic Reports in Non-Small Business Cases Filed Under Chapter 11 of Title 11

AGENCY: Executive Office for United States Trustees (EOUST), Justice.

ACTION: Final rule.

SUMMARY: The Department of Justice (Department), through its component, EOUST, issues this final rule (Rule) in accordance with Section 602 of the Bankruptcy Abuse Prevention and Consumer Protection Act of 2005 (BAPCPA). The BAPCPA authorizes the Department to issue rules requiring uniform periodic reports (periodic reports) by debtors-in-possession or trustees in cases under chapter 11 of title 11. These periodic reports are to be used by all chapter 11 debtors who do not qualify as a “small business debtor” as defined in the Bankruptcy Code. This Rule benefits the public by streamlining existing periodic reporting requirements and eliminating more than 150 existing report forms.

DATES: This Rule is effective June 21, 2021.

ADDRESSES: EOUST, 441 G Street NW, Suite 6150, Washington, DC 20530.

FOR FURTHER INFORMATION CONTACT: Ramona D. Elliott, Deputy Director/General Counsel or Nan R. Eitel, Associate General Counsel for Chapter 11 Practice, at (202) 307–1399 (not a toll-free number).

SUPPLEMENTARY INFORMATION: On November 10, 2014, the Department published a notice of proposed rulemaking (NPRM), Procedures for Completing Uniform Periodic Reports in Non-Small Business Cases Filed under Chapter 11 of Title 11. *See* 79 FR 66659. The comment period closed on January 9, 2015. In order to accommodate requests by certain commenters to meet with representatives of the EOUST to discuss the NPRM and to provide an opportunity for interested persons to express their views directly to EOUST officials, on February 17, 2016, the EOUST held a public hearing (Public Hearing) on the NPRM and reopened the comment period for an additional 85 days. *See* 80 FR 74739.

Interested persons were afforded the opportunity to participate in the rulemaking process through written comments to the NPRM during the two

comment periods and through testimony at the Public Hearing. All public comments and the transcript of the Public Hearing are available at www.regulations.gov, and are discussed below. This Rule finalizes the NPRM, with changes discussed below, and implements the periodic reports to be used by debtors-in-possession or trustees in chapter 11 cases that do not qualify as “small business debtors” under the Bankruptcy Code.

Discussion of the Rule

The administration of chapter 11 bankruptcy cases is entrusted to the debtor-in-possession under 11 U.S.C. 1107(a) or, if circumstances warrant, a trustee appointed under 11 U.S.C. 1104. Debtors-in-possession and trustees must account for the receipt, administration, and disposition of all property; provide information concerning the estate and the estate’s administration as parties in interest request; and file periodic reports and summaries of a debtor’s business, including a statement of receipts and disbursements, and such other information as the United States Trustee or the United States Bankruptcy Court requires. 11 U.S.C. 1106(a)(1), 1107(a); Fed. R. Bankr. P. 2015 (a)(2), (a)(3). The monthly periodic report filed during the case prior to the confirmation of a plan of reorganization is generally known as the Monthly Operating Report (MOR). The quarterly periodic report filed subsequent to the confirmation of a plan of reorganization and before the case is closed is generally known as the Post-confirmation Report (PCR). There are currently more than 150 different local MOR and PCR forms in use around the country. This Rule would replace those local forms with a single MOR form (UST Form 11–MOR) and a single PCR form (UST Form 11–PCR) for use in all United States Trustee Program (USTP) jurisdictions. In doing so, the Rule strikes the best achievable practical balance between: (1) The reasonable needs of the public for information about the operational results of the Federal bankruptcy system; (2) economy, simplicity, and lack of undue burden on persons with a duty to file periodic reports; and (3) appropriate privacy concerns and safeguards.

Though debtors-in-possession and trustees may incur modest startup costs when adapting to the new forms, they will nonetheless benefit from the simplicity that the uniform forms offer and the elimination of a patchwork of localized requirements. Among other benefits, the Rule ensures that report filers need not change accounting systems when entering bankruptcy. And as noted below, the USTP will release
