Abstract of Proposed Collection

The DS-0174, Application for Employment as a Locally Employed Staff or Family Member, is needed to meet information collection requirements for recruitments conducted at approximately 170 U.S. embassies and consulates throughout the world. Current employment application forms do not meet the unique requirements of Mission recruitment (e.g., language skills and hiring preferences) under the FS Act of 1980 and 22 U.S.C. 2669(c). The DS-0174 is needed to improve data gathering and to clarify interpretation of candidate responses.

Methodology

Candidates for employment use the DS-0174 to apply for Mission-advertised positions throughout the world. Mission recruitments generate approximately 40,000 applications per year. Data that HR and hiring officials extract from the DS-0174 determines eligibility for employment, qualifications for the position, and selections according to Federal policies.

Dated: March 4, 2009.

Ruben Torres,

Director, HR/EX, Department of State.
