The Board meeting is open to the public. The Board welcomes open dialogue to promote greater focus on critical issues facing USAID, the role of universities in development, and applications of U.S. scientific, technical and institutional capabilities to international agriculture. **Note on Public Comments:** Due to time constraints public comments to the Board will be limited to two (2) minutes to accommodate as many as possible. It is preferred to have comments submitted to the Board in writing. Two periods for public comment will be provided during the Board meeting—just before lunch and adjournment.

Those wishing to attend the meeting or obtain additional information about BIFAD should contact Dr. Ronald S. Senykoff, Executive Director and Designated Federal Officer for BIFAD. Write him in care of the U.S. Agency for International Development, Ronald Reagan Building, Office of Development Partners, 1300 Pennsylvania Avenue, NW., Room 6.7–153, Washington, DC 20523–2110 or telephone him at (202) 712–0218 or fax (202) 216–3124.

Ronald S. Senykoff,

Executive Director and USAID Designated Federal Officer for BIFAD, Office of Development Partners, U.S. Agency for International Development.

Environmental Technologies Trade Advisory Committee (ETTAC)

AGENCY: International Trade Administration, U.S. Department of Commerce.

ACTION: Notice of open meeting.

SUMMARY: The Environmental Technologies Trade Advisory Committee (ETTAC) will hold a plenary meeting on October 29, 2009 at the U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230, in Room 3407. The ETTAC will discuss environmental goods and services trade liberalization efforts in the World Trade Organization, United Nations climate negotiations in Copenhagen, and other administrative items. This is the first time this ETTAC will meet since its re-chartering in September 2009. The meeting is open to the public and time will be permitted for public comment.

Written comments concerning ETTAC affairs are welcome anytime before or

after the meeting. Minutes will be available within 30 days of this meeting.

The ETTAC is mandated by Public Law 103–392. It was created to advise the U.S. government on environmental trade policies and programs, and to help it to focus its resources on increasing the exports of the U.S. environmental industry. ETTAC operates as an advisory committee to the Secretary of Commerce and the Trade Promotion Coordinating Committee (TPCC). ETTAC was originally chartered in May of 1994. It was most recently re-chartered until September 2010.

DATES: October 29, 2009.

Time: 9 a.m. to 3 p.m.

DEPARTMENT OF COMMERCE

National Oceanic and Atmospheric Administration

Proposed Information Collection; Comment Request; Northeast Region Dealer Purchase Reports

AGENCY: National Oceanic and Atmospheric Administration (NOAA).

ACTION: Notice.

SUMMARY: The Department of Commerce, as part of its continuing effort to reduce paperwork and respondent burden, invites the general public and other Federal agencies to take this opportunity to comment on proposed and/or continuing information collections, as required by the Paperwork Reduction Act of 1995.

DATES: Written comments must be submitted on or before December 21, 2009.

ADDRESSES: Direct all written comments to Diana Hynek, Departmental Paperwork Clearance Officer, Department of Commerce, Room 7845, 14th and Constitution Avenue, NW.,

Washington, DC 20230 (or via the Internet at dHynek@doc.gov).

FOR FURTHER INFORMATION CONTACT:

Requests for additional information or copies of the information collection instrument and instructions should be directed to Peter Burns, (978) 281–9144 or reporting.ne@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

Federally-permitted dealers, and any individual acting in the capacity of a dealer, must submit to the Regional Administrator or to the official designee a detailed report of all fish purchased or received for a commercial purpose, other than solely for transport on land by one of the available electronic reporting mechanisms approved by National Marine Fisheries Service (NMFS). The information obtained is used by economists, biologists, and managers in the management of the fisheries. The data collection parameters are consistent with the current requirements for Federal dealers under the authority of the Magnuson-Stevens Fishery Conservation and Management Act. NOAA is seeking to renew Paperwork Reduction Act approval for these requirements.

II. Method of Collection

Dealers submit purchasing information through an electronic process by either one of two NMFS supplied programs or through a NMFS approved mechanism.

III. Data

OMB Control Number: 0648–0229.

Form Number: NOAA Forms 88–30 is no longer being used. Federally permitted dealers submit fishery information through electronic processes.

Type of Review: Regular submission.

Affected Public: Business or other for-profit organizations; individuals or households.

Estimated Number of Respondents: 781.

Estimated Time per Response: 4 minutes per fishing trip.

Estimated Total Annual Burden Hours: 2,722.

Estimated Total Annual Cost to Public: \$460,200.

IV. Request for Comments

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information shall have practical utility; (b) the accuracy of the agency's estimate of the burden (including hours and cost) of the

proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

Comments submitted in response to this notice will be summarized and/or included in the request for OMB approval of this information collection; they also will become a matter of public record.

Dated: October 15, 2009.

FOR FURTHER INFORMATION CONTACT: Requests for additional information or copies of the information collection instrument and instructions should be directed to Alan Lowther, (301) 713-2328 or Alan.Lowther@noaa.gov.

SUPPLEMENTARY INFORMATION:

I. Abstract

National Oceanic and Atmospheric Administration (NOAA) annually collects information from seafood and

industrial fishing processing plants on the volume and value of their processed fishery products and monthly employment figures. NOAA also collects monthly information on the production of fish meal and oil. The information gathered is used by NOAA in the economic and social analyses when proposing and evaluating fishery management actions.

II. Method of Collection

In the current survey, NOAA's National Marine Fisheries Service (NMFS) provides each processor a pre-printed form that includes the products produced by the dealer in the previous year. The dealer needs only to fill in the quantities, and add any new products, before returning the form every year. Processors have the option to use a Web-based application that allows them to submit the data electronically.
