In relation to the State DDC allotments, the description of service needs were reviewed in the State plans and are consistent with the results obtained from the data elements and projected formula amounts for each State (Section 125(a)(5)).

The Administration on Developmental Disabilities has updated the following data elements for issuance of Fiscal Year 2001 allotments for the

Developmental Disabilities formula grant programs.

A. The number of beneficiaries in each State and Territory under the Childhood Disabilities Beneficiary Program are from Table 5.J10 of the "Annual Statistical Supplement, 1999 to the Social Security Bulletin" issued by the Social Security Administration;

B. State data on Average Per Capita Income are from Table 1—Personal Income and Per Capita Personal Income by State and Region, 1993–98 of the "Survey of Current Business," May, 1999, issued by the Bureau of Economic Analysis, U.S. Department of Commerce; comparable data for the Territories also were obtained from the Department of Commerce September, 1999; and
