Final Approval Under OMB Delegated Authority of the Extension for Three Years, Without Revision, of the Following Information Collection

Collection title: Reporting Requirements Associated with Regulation XX.

Collection identifier: FR XX. OMB control number: 7100-0363. General description of collection: The Board's Regulation XX—Concentration Limit (12 CFR part 251) implements section 14 of the Bank Holding Company Act of 1956 (BHC Act), which establishes a financial sector concentration limit that generally prohibits a financial company from merging or consolidating with, or otherwise acquiring, another company if the resulting company's liabilities upon consummation would exceed 10 percent of the aggregate liabilities of all financial companies (a covered acquisition). Under section 14 of the BHC Act and Regulation XX, a financial company means (1) an insured depository institution, (2) a bank holding company, (3) a savings and loan holding company,

(4) any other company that controls an insured depository institution, (5) a nonbank financial company designated by the Financial Stability Oversight Council (Council) for supervision by the Board, or (6) a foreign bank or company that is treated as a bank holding company for purposes of the BHC Act. Regulation XX includes certain reporting requirements that apply to financial companies (sections 251.3(e), 251.4(b), and 251.4(c)). In addition, section 251.6 of Regulation XX requires financial companies that do not report consolidated financial information to the Board or other appropriate Federal banking agency to report information on their total liabilities; the Board has implemented this requirement through the Financial Company (as defined) Report of Consolidated Liabilities (FR XX-1).

Frequency: Event-generated, annual. Respondents: Financial companies. Total estimated number of respondents: 35.

Total estimated annual burden hours:

Current actions: On July 19, 2023, the Board published a notice in the **Federal Register** (88 FR 46162) requesting public comment for 60 days on the extension, without revision, of the FR XX. The comment period for this notice expired on September 18, 2023. The Board did not receive any comments.

Reallotment of Fiscal Year 2022 Funds for the Low Income Home Energy Program-Final

AGENCY: Office of Community Services, Administration for Children and

Families, Department of Health and Human Services.

ACTION: Notice of final issuance.

SUMMARY: The Administration for Children and Families (ACF), Office of Community Service (OCS), Division of Energy Assistance announces that \$17,260,985 of funds from the federal fiscal year (FFY) 2022 Low Income Home Energy Assistance Program (LIHEAP) were reallotted to states, territories, tribes, and tribal organizations that received FFY 2023 direct LIHEAP grants.

DATES: This notice became effective on Sep. 29, 2023, which is the date on which ACF awarded these reallotments.

FOR FURTHER INFORMATION CONTACT:

Megan Meadows, Director, Division of Energy Assistance, Office of Community Services, 330 C Street SW, 5th Floor; Mail Room 5425; Washington, DC 20201. Telephone: 202–401–1149; email: Megan.Meadows@acf.hhs.gov.

SUPPLEMENTARY INFORMATION: In accordance with section 2607(b)(1) of the Low Income Home Energy Assistance Act (the Act), title XXVI of the Omnibus Budget Reconciliation Act of 1981 (42 U.S.C. 8626(b)(1)), as amended, ACF published a notice in the Federal Register on Sep. 26, 2023, 88 FR 66005, announcing the Secretary's preliminary determination that \$21,985,238 of FFY 2022 funds for LIHEAP may be available for reallotment. ACF received one comment. It came from a member of the public who appeared to seek the program's benefits. ACF advised the inquirer of the resources through which to seek information about such benefits. After such publication, ACF reduced this amount to \$17,260,985 because of (1) reporting revisions made by grant recipient; and (2) insufficient Payment Management System balances.

These funds became available from the following grant recipients in the following amounts:

The list of grant recipients that were awarded these funds was published in a Dear Colleague Letter (DCL), which is posted to ACF's website at LIHEAP DCL 2023–15 Reallotment of LIHEAP Funds FFY 2022.

Pursuant to the statute cited above, these funds were reallotted on Sep. 29, 2023 to all three types of FFY 2023 LIHEAP grant recipients by distributing them under the formula that Congress set for FFY 2023 funding. The three types of recipients that did not receive funds were (1) those whose allocations would have been less than \$25; (2) tribes or tribal organizations that agreed with their co-territorial states to receive set amounts for the entire fiscal year; and (3) states or territories that were held to the additional minimum floor required by the FFY 2023 appropriations act after including the reallotment amount. No sub-recipients of these recipients or other entities may

apply for these funds.

The reallotted funds may be used for any purpose authorized under LIHEAP. Grant recipients must add these funds to their total LIHEAP funds payable for FFY 2023 for purposes of calculating statutory caps on administrative costs, carryover, Assurance 16 activities, and weatherization assistance. Grant recipients must also (1) ensure that these funds are included in the amounts that ACF pre-populated on Line 1.1 of their FFY 2023 Carryover and Reallotment Reports; (2) reconcile these funds, to the extent that they received them, with the other sources described in LIHEAP DCL 2023-05 that used the grant number ending in "LIEA" on the associated Federal Financial Report; and (3) record, on their FFY 2023 Household Reports, households that receive benefits at least partly from these funds. State recipients must also ensure that these funds are included in the Grantee Survey sections of their FFY 2023 LIHEAP Performance Data Forms.

OCS recommends that, after receiving them, grant recipients obligate these funds before obligating any other federal LIHEAP funds.

Statutory Authority: 42 U.S.C. 8626(b).

Proposed Information Collection Activity; Refugee Data Submission System for Formula Funds Allocations and Service Analysis (ORR-5) (Office of Management and Budget #0970– 0043)

AGENCY: Office of Refugee Resettlement, Administration for Children and Families, U.S. Department of Health and Human Services.

ACTION: Request for public comments.

SUMMARY: The Office of Refugee Resettlement (ORR), Administration for children and Families (ACF), U.S. Department of Health and Human Services (HHS), seeks an update to the existing data collection for the form ORR-5: Refugee Data Submission System for Formula Funds Allocations and Service Analysis (OMB#: 0970-0043, expiration 4/30/2024) and requests an extension of approval for three years. Minor changes to the form ORR-5 include the addition of the following two data elements: client email address and client phone number. ACF estimates the proposed changes will not increase response burden.

DATES: Comments due within 60 days of publication. In compliance with the requirements of the Paperwork Reduction Act of 1995, ACF is soliciting public comment on the specific aspects of the information collection described above.

ADDRESSES: You can obtain copies of the proposed collection of information and submit comments by emailing *infocollection@acf.hhs.gov*. Identify all requests by the title of the information collection.

SUPPLEMENTARY INFORMATION:

Description: The ORR-5 is designed to satisfy the statutory requirements of the Immigration and Nationality Act (INA). Section 412(a)(3) of INA (8 U.S.C. 1522(a)(3)) requires that the Director of ORR make a periodic assessment of the needs of refugees for assistance and services and the resources available to meet those needs. ORR proposes an extension with minor changes to the current form to ensure continuous information collection, enabling the ORR Director to better understand client demographics, services utilized, and the outcomes achieved by clients enrolled in certain ORR-funded programs. Data elements continue to include ORR program entrance and exit dates, biographical information, referrals for services, progress made toward achieving self-sufficiency, and employment status. ORR proposes to add the following two data elements: client email address and client phone number. Adding these data points will enable ORR to obtain updated contact information for refugees who received ORR-funded services. The data collected will inform evidence-based policy making and program design.

Respondents: States, Replacement Designees, and the District of Columbia.
