

8. Taking of Private Property

This proposed rule would not cause a taking of private property or otherwise have taking implications under Executive Order 12630, Governmental Actions and Interference with Constitutionally Protected Property Rights.

9. Civil Justice Reform

This proposed rule meets applicable standards in sections 3(a) and 3(b)(2) of Executive Order 12988, Civil Justice Reform, to minimize litigation, eliminate ambiguity, and reduce burden.

10. Protection of Children From Environmental Health Risks

We have analyzed this proposed rule under Executive Order 13045, Protection of Children from Environmental Health Risks and Safety Risks. This rule is not an economically significant rule and would not create an environmental risk to health or risk to safety that might disproportionately affect children.

11. Indian Tribal Governments

This proposed rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it would not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

12. Energy Effects

This proposed rule is not a "significant energy action" under Executive Order 13211, Actions Concerning Regulations That Significantly Affect Energy Supply, Distribution, or Use.

13. Technical Standards

This proposed rule does not use technical standards. Therefore, we did not consider the use of voluntary consensus standards.

14. Environment

We have analyzed this proposed rule under Department of Homeland Security Management Directive 023-01 and Commandant Instruction M16475.ID, which guide the Coast Guard in complying with the National Environmental Policy Act of 1969 (NEPA) (42 U.S.C. 4321-4370f), and have made a preliminary determination that this action is one of a category of actions that do not individually or cumulatively have a significant effect on

the human environment. Specifically, the proposed rule involves establishing a safety zone, which is categorically excluded from further review under paragraph 34(g) of Figure 2-1 of the Commandant Instruction. We seek any comments or information that may lead to the discovery of a significant environmental impact from this proposed rule.

List of Subjects in 33 CFR Part 165

Harbors, Marine safety, Navigation (water), Reporting and recordkeeping requirements, Security measures, Waterways.

For the reasons discussed in the preamble, the Coast Guard proposes to amend 33 CFR part 165 as follows:

PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS

■ 1. The authority citation for part 165 continues to read as follows:

Authority: 33 U.S.C. 1231; 50 U.S.C. 191; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5; Department of Homeland Security Delegation No. 0171.1.

■ 2. Add § 165.T17-0267 to read as follows:

§ 165.T17-0267 Safety Zone; Port of Goodhope Bay; Goodhope Bay, Alaska.

(a) *Location.* The following areas are safety zones: All navigable waters within a 25-yard radius of a moored or anchored offshore exploration or support vessel, or within a 100-yard radius of any underway offshore exploration or support vessel, located within the Port of Goodhope Bay, to the limits of the U.S. territorial sea.

(b) *Effective date.* The temporary safety zones become effective at 12:01 a.m., July 1, 2015, and terminate on 11:59 p.m., October 15, 2015, unless sooner terminated by the Captain of the Port.

(c) *Regulations.* The general regulations governing safety zones contained in § 165.23 apply to all vessels operating within the area described in paragraph (a) of this section.

(1) If a non-exploration or support vessel is moored or anchored and an offshore exploration or support vessel transits near them such that it places the moored or anchored vessel within the 100-yard safety zone described in paragraph (a) of this section, the moored or anchored vessel must remain stationary until the offshore exploration or support vessel maneuvers to a distance exceeding the 100-yard safety zone.

(2) All persons and vessels shall comply with the instructions of the

Captain of the Port (COTP) or designated on-scene representative, consisting of commissioned, warrant, and petty officers of the Coast Guard. Upon being hailed by a U.S. Coast Guard vessel by siren, radio, flashing light or other means, the operator of a vessel shall proceed as directed by the COTP's designated on-scene representative.

(3) Entry into the safety zone is prohibited unless authorized by the COTP or his designated on-scene representative. Any persons desiring to enter the safety zone must contact the designated on-scene representative on VHF channel 16 (156.800 MHz) and receive permission prior to entering.

(4) If permission is granted to transit within the safety zone, all persons and vessels must comply with the instructions of the designated on-scene representative.

(5) The COTP, Western Alaska, will notify the maritime and general public by marine information broadcast during the period of time that the safety zones are in force by providing notice in accordance with § 165.7.

(d) *Penalties.* Persons and vessels violating this rule are subject to the penalties set forth in 33 U.S.C. 1232 and 50 U.S.C. 192.

Dated: April 14, 2015.

Paul Mehler III,

Captain, U.S. Coast Guard, Captain of the Port, Western Alaska.

BILLING CODE 9110-04-P

ENVIRONMENTAL PROTECTION AGENCY

40 CFR Part 52

[EPA-R06-OAR-2015-0189; FRL-9927-12-Region 6]

Approval and Promulgation of Implementation Plans; Arkansas; Regional Haze and Interstate Visibility Transport Federal Implementation Plan; Extension of Comment Period and Notice of Availability

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule; extension of comment period; availability of supplemental information.

SUMMARY: The Environmental Protection Agency (EPA) is extending the comment period for a proposed rule to establish a Clean Air Act (CAA) Federal Implementation Plan (FIP) to address regional haze and visibility transport requirements for the State of Arkansas.

EPA is extending the public comment period until July 15, 2015. The extension also is to allow comments on EPA supplemental modeling for the Entergy Independence plant.

DATES: The comment period for the proposed rule published April 8, 2015 (80 FR 18944), is extended. Written comments must be received on or before July 15, 2015.

ADDRESSES: Submit your comments, identified by Docket No. EPA-R06-OAR-2015-0189, by one of the following methods:

- **Federal e-Rulemaking Portal:** <http://www.regulations.gov>. Follow the online instructions for submitting comments.

- **Email:** R6AIR_ARHaze@epa.gov.

- **Mail:** Guy Donaldson, Chief, Air Planning Section (6PD-L), Environmental Protection Agency, 1445 Ross Avenue, Suite 1200, Dallas, Texas 75202-2733.

- **Hand or Courier Delivery:** Guy Donaldson at the address above. Such deliveries are accepted only between the hours of 8 a.m. and 4 p.m. weekdays, and not on legal holidays. Special arrangements should be made for deliveries of boxed information.

- **Fax:** Guy Donaldson at (214) 665-7263.

Instructions: Direct your comments to Docket No. EPA-R06-OAR-2015-0189. Our policy is that all comments received will be included in the public docket

without change and may be made available online at www.regulations.gov, including any personal information provided, unless the comment includes information claimed to be Confidential Business Information (CBI) or other information whose disclosure is restricted by statute. Do not submit information that you consider to be CBI or otherwise protected through www.regulations.gov or email. The www.regulations.gov Web site is an "anonymous access" system, which means we will not know your identity or contact information unless you provide it in the body of your comment. If you send an email comment directly to us without going through www.regulations.gov your email address will be automatically captured and included as part of the comment that is placed in the public docket and made available on the Internet. If you submit an electronic comment, we recommend that you include your name and other contact information in the body of your comment and with any disk or CD-ROM you submit. If we cannot read your comment due to technical difficulties and cannot contact you for clarification, we may not be able to consider your comment. Electronic files should avoid the use of special characters, any form of encryption, and be free of any defects or viruses.

Docket: The index to the docket for this action is available electronically at www.regulations.gov and in hard copy at EPA Region 6, 1445 Ross Avenue, Suite 700, Dallas, Texas. While all documents in the docket are listed in the index, some information may be publicly available only at the hard copy location (e.g., copyrighted material), and some may not be publicly available at either location (e.g., CBI).

FOR FURTHER INFORMATION CONTACT:

Dayana Medina, (214) 665-7241; medina.dayana@epa.gov. To inspect the hard copy materials, please schedule an appointment with Ms. Medina.

SUPPLEMENTARY INFORMATION: On April 8, 2015, we published in the **Federal Register** a proposal to establish a FIP for the State of Arkansas addressing regional haze and visibility transport (80 FR 18944). The proposed FIP includes emission limits for sources. Comments on the proposed rule were required to be received by May 16, 2015. We are extending the comment period until July 15, 2015. This action will allow interested persons additional time to prepare and submit comments.

We are also announcing the availability in the docket of supplemental modeling performed by EPA since the proposed rule for the Entergy Independence plant. Below is a summary of the supplemental modeling performed by EPA.

SUMMARY OF SUPPLEMENTAL REGIONAL HAZE MODELING FOR THE ENTERGY INDEPENDENCE PLANT

Class I area	Visibility improvement over baseline (deciviews)	Visibility improvement of low NO _x burners/separated overfire air over baseline (deciviews)
	Dry flue gas desulfurization	
		Low NO _x burner
Caney Creek	1.096	0.459
Upper Buffalo	1.178	0.198
Hercules-Glades	1.056	0.173
Mingo	1.045	0.148
