Title: Monthly Certification of On-the-Job and Apprenticeship Training.

OMB Control Number: 2900-0178.

Type of Review: Revision of a currently approved collection.

Abstract: Benefits are authorized monthly based on the number of hours worked by the trainee as verified by the training establishment. Unscheduled terminations result in the termination of benefits. If hours are reduced to less than a full-time work schedule, a reduction of benefits will occur. Public Law 115-89 “Veterans Apprenticeship and Labor Opportunity Reform Act” (VALOR Act) was signed into law on November 21, 2017. Section 3 of this law amended 38 U.S.C. 3680(c) to eliminate the trainee’s certification requirement. As a result, this form is only completed, signed, and certified by the training establishment to report the trainee’s number of hours worked and/or to report the trainee’s date of termination. The form no longer requires the signature of the trainee. The form is then sent to the Regional Processing Office (RPO) for processing.

An agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a currently valid OMB control number. The **Federal Register** Notice with a 60-day comment period soliciting comments on this collection of information was published at 86 FR 47539 on August 25, 2021, page 47539.
