FOR FURTHER INFORMATION CONTACT: Tameka Cooper, GSP Program, Office of the United States Trade Representative, 1724 F Street, NW., Room F-601, Washington, DC 20508. The telephone number is (202) 395-6971, the fax number is (202) 395-2961, and the e-mail address is Tameka_Cooper@ustr.eop.gov.

SUPPLEMENTARY INFORMATION: The GSP program provides for the duty-free importation of designated articles when imported from beneficiary developing countries. The GSP program is authorized by Title V of the Trade Act of 1974 (19 U.S.C. 2461 *et seq.*), as amended (the "Trade Act"), and is implemented in accordance with Executive Order 11888 of November 24, 1975, as modified by subsequent Executive Orders and Presidential Proclamations.

In the 2008 Annual Product Review, the Trade Policy Staff Committee reviewed petitions to change product coverage of the GSP. The results of the 2008 GSP Annual Review, comprising nine lists, are available for public

viewing at <http://www.regulations.gov> in docket USTR-2008-0045. The listed results of the 2008 GSP Annual Review are also available at: <http://www.ustr.gov/trade-topics/trade-development/preference-programs/generalized-system-preference-gsp/current-reviews>.

The disposition of the petitions considered in the 2008 GSP Annual Review is described in: List I (Decisions on Petitions to Add Products to the List of Eligible Products for the Generalized System of Preferences); List II (Decisions on Petitions to Remove Duty-Free Status from a Beneficiary Developing Country for a Product on the List of Eligible Articles for the Generalized System of Preferences); and List III (Decisions on Petitions to Grant a Waiver to the Competitive Need Limitations).

Certain articles for which a waiver of the application of Section 503(c)(2)(A) of the 1974 Act was issued at least five years ago, but which are revoked pursuant to Section 503(d)(5) are listed in List IV (Decisions on Competitive Need Limit Waiver Revocations).

Certain articles for which it has been determined that a like or directly competitive product was not produced in the United States on January 1, 1995, for the purposes of section 503(c)(2)(E), are listed in List V (Addition to List of Products "Not Produced in the United States", Pursuant to Section 503(c)(2)(E)).

In the 2008 Product Review, the Trade Policy Staff Committee evaluated the 2008 value of U.S. imports of each GSP-eligible article to determine whether an article from a GSP beneficiary developing country exceeded the GSP CNLs. *De minimis* waivers were granted to certain articles that exceeded the 50-percent import-share CNL, but for which the aggregate value of all U.S. imports of that article was below the 2008 *de minimis* level of \$19 million. List VI (Decisions on Products Eligible for *De Minimis* Waivers) provides the list of the articles and the associated countries granted *de minimis* waivers. No eligible products were redesignated to GSP eligibility. List VII (Decisions on Products Eligible for GSP Redesignation) provides the list of the articles and the associated countries reviewed for redesignation.

Articles that exceeded one of the GSP CNLs in 2008, and that are newly excluded from GSP eligibility when imported from a specific beneficiary country, are listed in List VIII (Products Newly Subject to CNL Exclusion).

The Trade Policy Staff Committee has determined to continue the review of GSP eligibility of certain beneficiary developing countries. The beneficiaries

Federal Aviation Administration

Membership in the National Parks Overflights Advisory Group Aviation Rulemaking Committee

ACTION: Notice.

SUMMARY: By **Federal Register** notice (See 74 FR 16442; April 10, 2009) the National Park Service (NPS) and the Federal Aviation Administration (FAA) invited interested persons to apply to fill six upcoming openings on the National Parks Overflights Advisory Group (NPOAG) Aviation Rulemaking Committee (ARC). The notice invited interested persons to apply to fill six vacancies representing commercial air tour operators (2), general aviation (1), Native American tribal (1), and environmental (2) concerns due to the incumbent members' completion of three-year term appointments on October 9, 2009. This notice informs the public of the persons selected to fill four of the six vacancies on the NPOAG ARC. Vacancies filled include the two commercial tour operator openings, the general aviation opening, and one of the environmental openings. Since the previous notice did not draw enough responses from individuals for the Native American tribal opening or the remaining environmental vacancy, NPS and FAA are also using this notice to invite other interested individuals to apply for these two remaining openings. If you responded to the initial notice, for either the Native American tribal or environmental openings, you will still be under consideration and need not re-apply.

FOR FURTHER INFORMATION CONTACT: Barry Brayer, Special Programs Staff, Federal Aviation Administration, Western-Pacific Region Headquarters, P.O. Box 92007, Los Angeles, CA 90009-2007, telephone: (310) 725-3800, e-mail: Barry.Brayer@faa.gov, or Karen Trevino, National Park Service, Natural Sounds Program, 1201 Oakridge Dr., Suite 100, Fort Collins, CO 80525, telephone: (970) 225-3563, e-mail: Karen_Trevin@nps.gov.

SUPPLEMENTARY INFORMATION:

Background

The National Parks Air Tour Management Act of 2000 (the Act) was enacted on April 5, 2000, as Public Law 106-181. The Act required the establishment of the advisory group within 1 year after its enactment. The NPOAG was established in March 2001. The advisory group is comprised of a balanced group of representatives of general aviation, commercial air tour operations, environmental concerns, and Native American tribes. The Administrator of the FAA and the Director of NPS (or their designees) serve as ex officio members of the group. Representatives of the Administrator and Director serve alternating 1-year terms as chairman of the advisory group.

In accordance with the Act, the advisory group provides "advice, information, and recommendations to the Administrator and the Director—

(1) On the implementation of this title [the Act] and the amendments made by this title;

(2) On commonly accepted quiet aircraft technology for use in commercial air tour operations over a national park or tribal lands, which will receive preferential treatment in a given air tour management plan;

(3) On other measures that might be taken to accommodate the interests of visitors to national parks; and

(4) At the request of the Administrator and the Director, safety, environmental, and other issues related to commercial air tour operations over a national park or tribal lands."

Membership

The current NPOAG ARC is made up of one member representing general aviation, three members representing the commercial air tour industry, four members representing environmental concerns, and two members representing Native American interests.

Current members of the NPOAG ARC are as follows:

Heidi Williams representing general aviation; Alan Stephen, Elling Halvorson, and Matthew Zuccaro representing commercial air tour operators; Chip Dennerlein, Greg Miller, Kristen Brengel, and Don Barger representing environmental interests; and Rory Majenty and Richard Deertrack representing Native American tribes.

Selection

Selected to fill the air tour operator vacancies, for additional terms, are returning members Alan Stephen and
