Abstract: VHA Directive 1909 provides policy for the Department of Veterans Affairs (VA) Health Eligibility Center (HEC) Income Verification (IV) Program under authority of 38 United States Code (U.S.C.) 1722; 38 U.S.C. 5317. Title 38 U.S.C. 1722 established eligibility assessment procedures, based on income levels, for determining whether nonservice-connected (NSC) Veterans and non-compensable zero percent service-connected (SC) Veterans, who have no other special eligibility, are eligible to receive VA health care at no cost. Title 26 U.S.C. 6103 (l)(7) of the Internal Revenue Code and 38 U.S.C. 5317 establish authority for VA to verify Veterans' gross household income information against records maintained by the Internal Revenue Service (IRS) and Social Security Administration (SSA) when that information indicates the Veteran is eligible for cost-free VA health care.

This information collection is necessary for HEC's Income Verification Division (IVD) to verify the income of Veterans and spouses. HEC IVD sends Veterans, and their spouses, individual letters to confirm income information reported by IRS and SSA. HEC does not change the Veteran's copay status until information supplied by IRS and SSA has been independently verified, either by the Veteran or through appropriate due process procedures.
