SECURITIES AND EXCHANGE COMMISSION

[Release No. 34–96791; File No. SR–ICEEU–2023–003]

Self-Regulatory Organizations; ICE Clear Europe Limited; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to Part N1 of the Delivery Procedures

February 2, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² notice is hereby given that on January 20, 2023, ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) filed with the Securities and Exchange Commission (“Commission”) the proposed rule changes described in Items I, II and III below, which Items have been prepared primarily by ICE Clear Europe. ICE Clear Europe filed the proposed rule change pursuant to Section 19(b)(3)(A)³ of the Act and Rule 19b–4(f)(4)(ii)⁴ thereunder, such that the proposed rule change was immediately effective upon filing with the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Clearing Agency's Statement of the Terms of Substance of the Proposed Rule Change

ICE Clear Europe Limited (“ICE Clear Europe” or the “Clearing House”) proposes to amend Part N1 of its Delivery Procedures (“Delivery Procedures” or “Procedures”) to update the delivery timetable for ICE Deliverable US Emissions Contracts.

II. Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, ICE Clear Europe included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these

statements may be examined at the places specified in Item IV below. ICE Clear Europe has prepared summaries, set forth in sections (A), (B), and (C) below, of the most significant aspects of such statements.

(A) Clearing Agency's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

(a) Purpose

ICE Clear Europe is proposing to amend Part N1 of the Delivery Procedures which applies to ICE Deliverable US Emissions Contracts (i) for which physical delivery is specified as being “Applicable” in the relevant Contract Terms, (ii) which go to physical delivery on the expiry date; and (iii) to which the Clearing House will announce by Circular that Part N1 specifically applies (such contracts “ICE Deliverable US Emissions Contracts”).⁵ The Clearing House is proposing to amend the delivery timetable to remove extraneous and unnecessary provisions in the final row relating to the relevant parties' obligations on the Delivery Day. The relevant delivery and payment obligations are already covered in the preceding rows of the timetable. Specifically, the provisions in the final row relating to final payment to the Seller are already addressed in the row titled “Payment to Seller.” Similarly, the provisions in the final row relating to the return of Seller's Delivery Margin are addressed in the row titled “Payment to Seller.” The amendment would also remove an inconsistency between the deleted provision and the deadline for delivery of Allowances as set forth in the row titled “Seller's Delivery to the Clearing House.” The amendments would additionally remove a statement in the final row relating to the treatment of deliveries after the specified deadline as being deemed received on the next business day. ICE Clear Europe believes that this statement was unnecessary and could have been read to imply that a late delivery was acceptable, which is not consistent with the deadline set forth in the row titled “Seller's Delivery to the Clearing House” and current Clearing House practice. The amendments do not

⁵ Part N1 of the Delivery Procedures (as filed pursuant to filing SR–ICEEU–2021–023, Exchange Act Release No. 34–93764 (Dec. 13, 2021), 86 FR 71692 (Dec. 17, 2021)) will not be operative until the Effective Date referenced below. Part N1, as amended by the proposed amendment set forth herein, will come into effect on or about 23 February 2023, with the specific effective date announced at least one week in advance through ICE Clear Europe Circular (the “Effective Date”).

⁴ 17 CFR 240.19b–4(f)(4)(ii).

otherwise change the terms and conditions of the relevant contract.

(b) Statutory Basis

ICE Clear Europe believes that the proposed amendments to the Delivery Procedures are consistent with the requirements of Section 17A of the Act⁶ and the regulations thereunder applicable to it. In particular, Section 17A(b)(3)(F) of the Act⁷ requires, among other things, that the rules of a clearing agency be designed to promote the prompt and accurate clearance and settlement of securities transactions and, to the extent applicable, derivative agreements, contracts, and transactions, the safeguarding of securities and funds in the custody or control of the clearing agency or for which it is responsible, and the protection of investors and the public interest. The proposed changes to the Delivery Procedures are designed to clarify the obligations of the relevant parties for the Delivery Day in the delivery timetable under Part N1. The amendments will not change the manner in which ICE Deliverable US Emissions Contracts delivered through a Clearing House Registry Account under Part N1, once it becomes operative in accordance with this filing, will be cleared by the Clearing House. Accordingly, ICE Clear Europe believes that the Delivery Procedures, as amended, are sufficient to support clearing of such contracts and to manage the risks associated with such contracts. As a result, in ICE Clear Europe's view, the amendments would be consistent with the prompt and accurate clearance and settlement of the contracts, and the protection of investors and the public interest consistent with the requirements of Section 17A(b)(3)(F) of the Act.⁸ (In ICE Clear Europe's view, the amendments would not affect the safeguarding of funds or securities in the custody or control of the clearing agency or for which it is responsible, within the meaning of Section 17A(b)(3)(F).⁹)

In addition, Rule 17Ad-22(e)(10)¹⁰ provides that "[e]ach covered clearing agency shall establish, implement, maintain and enforce written policies and procedures reasonable designed to, as applicable [. . .] establish and maintain transparent written standards that state its obligations with respect to the delivery of physical instruments, and establish and maintain operational practices that identify, monitor and

manage the risks associated with such physical deliveries." As discussed above, the amendments would amend the delivery specifications for ICE Deliverable US Emissions Contracts to clarify the obligations for the Delivery Day and remove extraneous provisions. The amendments thus appropriately clarify the role and responsibilities of the Clearing House and Clearing Members with respect to physical delivery. As a result, ICE Clear Europe believes the amendments are consistent with the requirements of Rule 17Ad-22(e)(10).¹¹

(B) Clearing Agency's Statement on Burden on Competition

ICE Clear Europe does not believe the proposed amendments would have any impact, or impose any burden, on competition not necessary or appropriate in furtherance of the purposes of the Act. The proposed amendments to the Delivery Procedures are intended to make certain clarifications to the delivery timetable procedures applicable to the settlement of ICE Deliverable US Emissions Contracts. The amendments would not change the obligations of market participants. ICE Clear Europe does not believe the amendments would adversely affect competition among Clearing Members, materially affect the cost of clearing, adversely affect access to clearing in the new contracts for Clearing Members or their customers, or otherwise adversely affect competition in clearing services. Accordingly, ICE Clear Europe does not believe that the amendments would impose any impact or burden on competition that is not appropriate in furtherance of the purpose of the Act.

(C) Clearing Agency's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

Written comments relating to the proposed amendment has not been solicited or received by ICE Clear Europe. ICE Clear Europe will notify the Commission of any comments received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change has become effective pursuant to Section 19(b)(3)(A) of the Act¹² and paragraph (f) of Rule 19b-4¹³ thereunder. At any time within

60 days of the filing of the proposed rule change, the Commission summarily may temporarily suspend such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors, or otherwise in furtherance of the purposes of the Act.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-96793; File No. SR-CBOE-2023-008]

Self-Regulatory Organizations; Cboe Exchange, Inc.; Notice of Filing and Immediate Effectiveness of a Proposed Rule Change To Amend Its Fees Schedule

February 2, 2023.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the “Act”),¹ and Rule 19b-4 thereunder,² notice is hereby given that on January 20, 2023, Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) filed with the Securities and Exchange Commission (the “Commission”) the proposed rule change as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization’s Statement of the Terms of Substance of the Proposed Rule Change

Cboe Exchange, Inc. (the “Exchange” or “Cboe Options”) proposes to amend its Fees Schedule. The text of the proposed rule change is provided in Exhibit 5.

The text of the proposed rule change is also available on the Exchange’s website (<http://www.cboe.com/AboutCBOE/CBOELegalRegulatoryHome.aspx>), at the Exchange’s Office of the Secretary, and at the Commission’s Public Reference Room.

II. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization’s Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The Exchange proposes to amend its Fees Schedule to modify the fee for the SPX (and SPXW) Floor Market-Maker Tier Appointment Fee.³

By way of background, Exchange Rule 5.50(g)(2) provides that the Exchange may establish one or more types of tier appointments and Exchange Rule 5.50(g)(2)(B) provides such tier appointments are subject to such fees and charges the Exchange may establish. In 2010, the Exchange established the SPX Tier Appointment and adopted an initial fee of \$3,000 per Market-Maker trading permit, per month.⁴ The SPX (and SPXW) Tier Appointment fee for Floor Market-Makers currently applies to any Market-Maker that executes any contracts in SPX and/or SPXW on the trading floor.⁵ The Exchange now seeks to increase the fee for the SPX/SPXW Floor Market-Maker Tier Appointment from \$3,000 per Market-Maker Floor

Trading Permit to \$5,000 per Market-Maker Floor Trading Permit.

In connection with the proposed change, the Exchange also proposes to update Footnote 24 in the Fees Schedule, as well as remove the reference to Footnote 24 in the Market-Maker Tier Appointment Fee Table. By way of background, in June 2020, the Exchange adopted Footnote 24 to describe pricing changes that would apply for the duration of time the Exchange trading floor was being operated in a modified manner in connection with the COVID-19 pandemic.⁶ Among other changes, Footnote 24 provided that the monthly fee for the SPX/SPXW Floor Market-Maker Tier Appointment Fee was to be increased to \$5,000 per Trading Permit from \$3,000 per Trading Permit. As the Exchange now proposes to maintain the \$5,000 rate on a permanent basis (*i.e.*, regardless of whether the Exchange is operating in a modified state due to COVID-19 pandemic), the Exchange proposes to eliminate the reference to the SPX/SPXW Floor Market-Maker Tier Appointment Fee in Footnote 24.⁷

2. Statutory Basis

The Exchange believes the proposed rule change is consistent with the Securities Exchange Act of 1934 (the “Act”) and the rules and regulations thereunder applicable to the Exchange and, in particular, the requirements of Section 6(b) of the Act.⁸ Specifically, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)⁹ requirements that the rules of an exchange be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities, to remove impediments to and perfect the mechanism of a free and open market and a national market system, and, in general, to protect investors and the public interest. Additionally, the Exchange believes the proposed rule change is consistent with the Section 6(b)(5)¹⁰ requirement that the rules of an exchange not be designed

³ The Exchange initially filed the proposed fee change, among other changes, on June 1, 2022 (SR-CBOE-2022-026). On June 10, 2022, the Exchange withdrew that filing and submitted SR-CBOE-2022-029. On August 5, 2022, the Exchange withdrew that filing and submitted SR-CBOE-2022-042. On September 26, 2022, the Exchange withdrew that filing and submitted SR-CBOE-2022-050 to address the proposed fee change relating to the SPX/SPXW Floor Market-Maker Tier Appointment Fee. On November 23, 2022, the Exchange advised of its intent to withdraw that filing and submitted SR-CBOE-2022-060. On January 20, 2023, the Exchange withdrew SR-CBOE-2022-060 and submitted this filing. No comment letters were received in connection with any of the foregoing rule filings.

⁴ See Securities Exchange Act Release No. 62386 (June 25, 2010), 75 FR 38566 (July 2, 2010) (SR-CBOE-2010-060).

⁵ The Exchange notes that the fee is not assessed to a Market-Maker Floor Permit Holder who only executes SPX (including SPXW) options transactions as part of multi-class broad-based index spread transactions. See Cboe Options Fees Schedule, Market-Maker Tier Appointment Fees, Notes.

⁶ See Securities Exchange Act Release No. 89189 (June 30, 2020), 85 FR 40344 (July 6, 2020) (SR-CBOE-2020-058).

⁷ The Exchange notes that since its transition to a new trading floor facility on June 6, 2022, it has not been operating in a modified manner. As such Footnote 24 (*i.e.*, the modified fee changes it describes) does not currently apply.
