

RECORD SOURCE CATEGORIES:

1. Enrollment data on Medicare beneficiaries volunteering to participate in CPS-HA projects will come from beneficiaries who report the information to CMS officials or contractors, pursuant to information collection activities approved at the Office of Management and Budget and through an Institutional Review Board as required by law. Follow-up surveys and questionnaires for participants will also come directly from beneficiaries' voluntary reporting.

2. Claims data will come through voluntary submissions of providers, suppliers, and others seeking reimbursement for covered services provided to a Medicare beneficiary, in accordance with the provisions of the demonstration and the conditions of participation in the Medicare program.

3. Research analysis and reporting will come from the enrollment data, surveys and questionnaires provided by beneficiaries, as well as the analysis and compilations of this information developed by CMS officials, contractors, research collaborators, and others supporting the CPS-HA project and fulfilling the conditions of confidentiality, privacy and security outlined in this Notice.

4. Eligibility information as well as financial or quality reporting related to program integrity or other matters may also interact with existing CMS registries such as those relating to Medicare claims, provider registries, beneficiary enrollment databases, national claims histories.

5. Provider information to document the eligibility of a provider, supplier, or other person or entity to submit Medicare claims under the CPS-HA program, receive continuing medical education within the scope of the CPS-HA program, or for other uses will come from existing Medicare records of eligible providers and suppliers (as may be modified according to the needs of the CPS-HA program).
