Proposal Under OMB Delegated Authority To Extend for Three Years, Without Revision, the Following Information Collection

Report title: Recordkeeping Requirements of Regulation H and Regulation K Associated with the Procedures for Monitoring Bank Secrecy Act Compliance.

Agency form number: FR K.

OMB control number: 7100–0310.

Frequency: Annual.

Respondents: State member banks; Edge Act and agreement corporations; and U.S. branches, agencies, and representative offices of foreign banks supervised by the Board, except for a federal branch or a federal agency or a state branch that is insured by the

Federal Deposit Insurance Corporation (FDIC).

Estimated number of respondents:

Establish compliance program—1;
Maintenance of compliance program—906.

Estimated average hours per response:

Establish compliance program—16;
Maintenance of compliance program—4.

Estimated annual burden hours:

Establish compliance program—16;
Maintenance of compliance program—3,624.

General description of report: Section 208.63 of the Board's Regulation H—Membership of State Banking Institutions in the Federal Reserve System (12 CFR part 208) requires state member banks to establish and maintain in writing procedures reasonably designed to ensure and monitor compliance with the provisions of the Bank Secrecy Act (BSA) ¹ and its implementing regulations. Sections 211.5(m)(1) and 211.24(j)(1) of the Board's Regulation K—International Banking Operations (12 CFR part 211) impose those same requirements on Edge Act and agreement corporations and, except for a federal branch or a federal agency ² or a state branch that is insured by the FDIC, the U.S. branches, agencies, and representative offices of foreign banks supervised by the Board.

Legal authorization and confidentiality: The FR K is authorized pursuant to section 8(s) of the Federal Deposit Insurance Act (FDIA), which requires the federal banking agencies, including the Board, to (1) prescribe regulations requiring the institutions they regulate to establish and maintain procedures reasonably designed to assure and monitor compliance with the BSA and (2) to review such procedures during the course of their examinations (12 U.S.C. 1818(s)).³ The FR K is mandatory.

Because the records required by the FR K will be retained at banking organizations, the Freedom of Information Act (FOIA) would only be implicated if the Board's examiners obtained a copy of the records as part of the examination or supervision of a banking institution. In that case, the records may be exempt from disclosure

under exemption 8 of the FOIA, which protects examination materials from disclosure (5 U.S.C. 552(b)(8)). To the extent that information retained in response to the FR K constitutes nonpublic commercial or financial information, which is both customarily and actually treated as private by the respondent, it may also be kept confidential under exemption 4 of the FOIA (5 U.S.C. 552(b)(4)). Exemption 4 protects "trade secrets and commercial or financial information obtained from a person [that is] privileged or confidential."

Deputy Associate Secretary of the Board.

OMB control number: 7100-0347.
Frequency: On occasion.
Respondents: Certain nonbank companies that own at least one registered securities broker or dealer and which elect to become a supervised securities holding company (SHC).

Estimated number of respondents: 1.
Estimated average hours per response: 8.

Estimated annual burden hours: 8.

The information collected by the FR 2082 registration form is used by the Federal Reserve System to determine whether the registrant meets the requirements to become a supervised SHC and to complete the registration.

Legal authorization and confidentiality: The FR 2082 is authorized by section 618(b)(2)(A) of the Dodd-Frank Act, which requires companies that elect SHC status to register by filing with the Board such information and documents as the

Board, by regulation, may prescribe. Submission of the FR 2082 is required to obtain a benefit.

The information provided on the FR 2082 form and in connection with an SHC's registration is generally considered public. Firms may request certain information provided in connection with the FR 2082 be kept confidential under the Freedom of Information Act (FOIA) in accordance with the Board's Rules Regarding Availability of Information.² Confidential commercial or financial information that is both customarily and actually treated as private may be kept confidential under FOIA exemption 4.³ Personal and biographical information of individuals required as part of the registration may be treated as confidential under FOIA exemption 6 if its disclosure "would constitute a clearly unwarranted invasion of personal privacy."⁴
