

### *B. Self-Regulatory Organization's Statement on Burden on Competition*

The Exchange does not believe that the proposed rule change will impose any burden on competition not necessary or appropriate in furtherance of the purposes of the Act. To the contrary, the Exchange believes the proposed rule change will enhance competition because it will enable the Exchange to innovate and offer similar equities Purge Port functionality to that offered by other equity exchanges and on options markets today. The proposed Purge Ports are completely voluntary and will be made available to all members on an equal basis at the same cost. While the Exchange believes that the proposed Purge Ports provide a valuable service, Participants can choose to purchase, or not purchase, these ports based on their own determination of the value and their business needs. No Participant is required or under any regulatory obligation to utilize Purge Ports. Accordingly, the Exchange believes that the proposed rule change is designed to offer appropriate risk management functionality to firms that trade on the Exchange without imposing an unnecessary or inappropriate burden on competition.

The Exchange is also allowing the Participants to test this new functionality for free by providing a two month waiver in the Exchange's Test Facility. Accordingly, the Exchange believes that the proposed rule change is designed to offer optional risk management functionality to firms that trade on the Exchange without imposing an unnecessary or inappropriate burden on competition.

### *C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others*
