Bureau of Export Administration

Technical Advisory Committees; Notice of Recruitment of Private-Sector Members

Summary: Six Technical Advisory Committees (TACs) advise the Department of Commerce on the technical parameters for export controls applicable to dual-use commodities and technology and on the administration of those controls. The TACs are composed of representatives from industry and Government representing diverse points of view on the concerns of the exporting community. Industry representatives are selected from firms producing a broad range of goods, technologies, and software presently controlled for

national security, foreign policy, non-proliferation, and short supply reasons or that are proposed for such controls, balanced to the extent possible among large and small firms.

TAC members are appointed by the Secretary of Commerce and serve terms of not more than four consecutive years. The membership reflects the Department's commitment to attaining balance and diversity. TAC members must obtain secret-level clearances prior to appointment. These clearances are necessary so that members can be permitted access to the classified information needed to formulate recommendations to the Department of Commerce. Each TAC meets approximately 4 times per year. Members of the Committees will not be compensated for their services.

The six TACs are responsible for advising the Department of Commerce on the technical parameters for export controls and the administration of those controls within the following areas: Information Systems TAC: Control List Categories 3 (electronics—semiconductor section), 4 (computers), and 5 (telecommunications and information security); Materials TAC: Control List Category 1 (materials, chemicals, microorganisms, and toxins); Materials Processing Equipment TAC: Control List Category 2 (materials processing); Regulations and Procedures TAC: the Export Administration Regulations (EAR) and procedures for implementing the EAR; Sensors and Instrumentation TAC: Control List Categories 3 (electronics—instrumentation section) and 6 (sensors and lasers); Transportation and Related Equipment TAC: Control List Categories 7 (navigation and avionics), 8 (marine technology), and 9 (propulsion systems, space vehicles, and related equipment).

To respond to this recruitment notice, please send a copy of your resume. Please use the fax number or e-mail address below.

Deadline: This Notice of Recruitment will be open for one year from its date of publication in the **Federal Register**.

Foreign-Trade Zones Board

[Docket 34-2000]

Proposed Foreign-Trade Zone— Pensacola/Escambia County, Florida Area Application and Public Hearing

An application has been submitted to the Foreign-Trade Zones (FTZ) Board (the Board) by the Pensacola-Escambia County Promotion and Development Commission, a Florida public corporation, to establish a general-purpose foreign-trade zone at sites in the Pensacola and Escambia County, Florida area, within/adjacent to the Pensacola Customs port of entry. The application was submitted pursuant to the provisions of the FTZ Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 6, 2000. The applicant is authorized to make the proposal under Section 288.36, Florida Statutes 1999.

The proposed new zone would consist of five sites covering 1,660 acres in the Escambia County and Pensacola metropolitan area: *Site 1* (40 acres)—Port of Pensacola (owned by the City of Pensacola), 700 S. Barracks Street, Pensacola; *Site 2* (1,400 acres)—Pensacola Regional Airport complex (owned by the City of Pensacola), 2430 Airport Boulevard, Pensacola; *Site 3* (70 acres)—Pensacola Shipyard Marine Complex (owned by FDC Holdings, Inc.), 700 South Myrick Street, Pensacola; *Site 4* (10 acres)—FDC Industrial Warehouse site (owned by FDC Holdings, Inc.), 10 Spruce Street, Pensacola; and, *Site 5* (140 acres)—Century Industrial Park (owned by the Town of Century), Escambia County Road x4 and Industrial Boulevard, Century. Site 4 is in a brownfield redevelopment area that is being funded by EPA and the State of Florida. Site 5 is located in an enterprise zone.

The application indicates a need for additional foreign-trade zone services in the Pensacola and Escambia County, Florida area. Several firms have indicated an interest in using zone procedures for warehousing/distribution of such items as forest products, paper products, cabinets, marine electrical systems and components, and custom modified gas chromatography equipment for the petroleum, chemical and petrochemical industries. Specific manufacturing approvals are not being sought at this time. Requests would be made to the Board on a case-by-case basis.

In accordance with the Board's regulations, a member of the FTZ Staff
