FEDERAL COMMUNICATIONS COMMISSION

[FR ID: 149975]

Privacy Act of 1974; System of Records

AGENCY: Federal Communications Commission.

ACTION: Notice of a modified system of records.

SUMMARY: The Federal Communications Commission (FCC, Commission, or Agency) proposes to modify an existing system of records, FCC/OIG–3, Investigative and Audit Files (formerly: FCC/OIG–3, Investigative Files) subject to the Privacy Act of 1974, as amended. This action is necessary to meet the requirements of the Privacy Act to publish in the **Federal Register** notice of the existence and character of records maintained by the agency. The FCC uses the investigative and audit files contained in the records in this system to carry out its duties and responsibilities under the Inspector General Act of 1978, as amended. This modification changes the scope of this system of records to add new routine uses, to update the exemptions the FCC claims for this system, and to make other changes.

DATES: This modified system of records will become effective on June 26, 2023. Written comments on the routine uses are due by July 26, 2023. The routine uses will become effective on July 26, 2023, unless written comments are received that require a contrary determination.

ADDRESSES: Send comments to Katherine C. Clark, Federal Communications Commission (FCC), 45 L Street NE, Washington, DC 20554.

FOR FURTHER INFORMATION CONTACT: Katherine C. Clark, (202) 418–1773, or privacy@fcc.gov (and to obtain a copy of the Narrative Statement and the Supplementary Document, which includes details of the proposed alterations to this system of records).

SUPPLEMENTARY INFORMATION: As required by the Privacy Act of 1974, as amended, 5 U.S.C. 552a(e)(4) and (e)(11), this document sets forth notice

of the proposed modification of a system of records maintained by the FCC. This notice modifies a system of records (FCC/OIG–3) maintained by the FCC. The FCC previously provided notice of the system of records FCC/OIG–3, Investigative and Audit Files, by publication in the **Federal Register** on August 26, 2011 (76 FR 53454). The FCC Office of Inspector General (OIG) created this system of records in 2011 by combining into a single system of records the OIG’s criminal and civil investigative files and its audit files. OIG uses the records in this system to carry out its duties and responsibilities under the Inspector General Act of 1978, as amended.

The substantive changes and modifications to the previously published version of FCC/OIG–3 include:

1. Renaming this SORN as “Investigative and Audit Files”;
2. Modifying the language in the Categories of Individuals and Categories of Records to be consistent with the language and phrasing now used in FCC SORNs;
3. Updating and/or revising language in the following routine uses: Law Enforcement and Investigation, Adjudication and Litigation, Disclosure to the Council of Inspectors General on Integrity and Efficiency (CIGIE), Disclosure for Qualitative Assessment Reviews, and Breach Notification;
4. Adding four new routine uses: (a) Assistance to Federal Agencies and Entities Related to Breaches—to assist with other Federal agencies’ data breach situations, which is required by OMB Memorandum No. M–17–12; (b) Non-Federal Personnel—to allow contractors, grantees, and volunteers who have been engaged to assist the FCC in the performance of a contract service, grant, cooperative agreement with access to information; (c) To provide information to a Congressional member’s office from the record of an individual in response to an inquiry from that Congressional office made at the request of that individual; and (d) Congress, congressional committees, or the staffs thereof—to provide Congress, congressional committees and congressional staff access to final FCC–OIG reports or management alerts when the Inspector General (IG) determines that its disclosure is necessary to fulfill the IG’s responsibilities under the IG Act of 1978, as amended;
5. Updating the existing records retention and disposal schedule with a new National Archives and Records Administration (NARA) Records Schedule: Office of Inspector General (OIG)—Investigative Files, N1–173–07–
