SUPPLEMENTARY INFORMATION:

Background: CHPAC is chartered under the Federal Advisory Committee Act (FACA), Public Law 92-463. EPA established this Committee in 1997 to provide independent advice to the EPA Administrator on a broad range of environmental issues affecting children's health.

The EPA Administrator appoints members for three-year terms with a cap on service at six years. The Committee meets 2-3 times annually and the average workload is approximately 10 to 15 hours per month. EPA provides reimbursement for travel and other incidental expenses associated with official government business, but members must be able to cover expenses prior to reimbursement.

The CHPAC is looking for representatives from industry; tribal, state, county and local government; school systems; academia; health care providers (including pediatricians, obstetric professionals, occupational medicine practitioners and community nurses); and non-governmental organizations.

The types of experience necessary includes: children's environmental health and development; epidemiology and toxicology; role of environmental chemicals in childhood diseases such as asthma, obesity and attention-deficit/hyperactivity disorder (ADHD); prenatal environmental exposures and adverse health outcomes; specific environmental exposures to chemicals such as lead, mercury and other heavy metals that adversely impact children's health; tribal children's environmental health; research; air quality (indoor and

outdoor); water quality; EPA regulation development; risk assessment; exposure assessment; science policy; public health information tracking; and outreach and risk communication.

EPA is looking for background and experience that would contribute to the diversity of perspectives on the committee (e.g., geographic, economic, social, cultural, racial, ethnicity, educational, and other considerations).

Nominees must have the ability to volunteer time to attend meetings 2-3 times a year in Washington, DC, participate in teleconference meetings, develop recommendations to the EPA Administrator, and prepare reports and advice letters.

Nominations must include the following information:

- Brief statement describing the nominee's interest in serving on the CHPAC.
- Short biography (no more than one page) describing the professional and educational qualifications, including a list of relevant activities, and any current or previous service on federal advisory committees.
- Statement about the perspective the nominee brings to the committee.
- Current contact information for the nominee, including name, organization (and position within that organization), business address, email address, and telephone number.
- Candidates may self-nominate; one letter of support is welcome.

Rebecca Cook-Shyovitz,

Alternate Designated Federal Officer, Office of Children's Health Protection.

AGENCY: Export-Import Bank of the United States.

ACTION: Notice.

SUMMARY: This Notice is to inform the public that Export-Import Bank of the United States ("EXIM") is expected to consider one or more requests to increase the amount of the long-term general guarantee on the interest of Secured Notes issued by the Private Export Funding Corporation (PEFCO). Comments received within the comment period specified below will be

presented to the EXIM Board of Directors prior to any final action during the fiscal year ending on September 30, 2026.

DATES: Comments must be received on or before September 2, 2025 to be assured of consideration before any final decision on one or more additional guarantees during the course of Fiscal Year 2026.

ADDRESSES: Comments may be submitted through *Regulations.gov* at www.regulations.gov. To submit a comment, enter EIB-2025-0010 under the heading "Enter Keyword or ID" and select Search. SUPPLEMENTARY INFORMATION:

Reference: AP003048AA.

Brief Description of Nature and Purpose of the Facility: EXIM may consider one or more general guarantees on the interest of Secured Notes issued by the Private Export Funding Corporation (PEFCO), in accordance with both the Guarantee and Credit Agreement, as Amended, and the Guarantee Agreement between EXIM and PEFCO. The purpose of the guarantee(s) of interest on the Secured Notes is to facilitate private funding from the U.S. capital markets for EXIM-guaranteed export finance transactions.

Total Amount of Guarantees: The exact number is not determinable due to market-determined pricing and uncertainty as to the amount and timing of Secured Notes to be issued; however, it could potentially be in excess of \$100 million for Secured Notes issued during the course of Fiscal Year 2026.

Reasons for the Facility and Methods of Operation: The general guarantee serves to guarantee interest on PEFCO's issuance of Secured Notes. The principal amount of the Secured Notes is secured by a collateral pool of U.S. government-risk debt and securities, including EXIM-guaranteed loans. The proceeds from the Secured Notes are used to fund additional EXIM-guaranteed loans and provide a liquid secondary market for EXIM-guaranteed loans.

Party Requesting Guarantee: Private Export Funding Corporation (PEFCO).

Information on Decision: Information on the final decision for this transaction will be available in the "Summary Minutes of Meetings of Board of

Directors'' on <https://www.exim.gov/news/meeting-minutes>.

Assistant Corporate Secretary.
