The initial written submissions and proposed remedial orders must be filed no later than close of business on July 8, 2024. Reply submissions must be filed no later than the close of business on July 15, 2024. No further submissions on these issues will be permitted unless otherwise ordered by the Commission. Opening submissions are limited to 15 pages. Reply submissions are limited to 10 pages. No further submissions on any of these issues will be permitted unless otherwise ordered by the Commission.

No. 337-TA-1118 (remand)) in a prominent place on the cover page and/or the first page. (*See* Handbook for Electronic Filing Procedures, [https://www.usitc.gov/documents/handbook\\_on\\_filing\\_procedures.pdf](https://www.usitc.gov/documents/handbook_on_filing_procedures.pdf)). questions regarding filing should contact the Secretary at (202) 205-2000.

Documents for which confidential treatment by the Commission is properly sought will be treated accordingly. Any non-party wishing to submit comments containing confidential information must serve those comments on the parties to the investigation pursuant to the applicable Administrative Protective Order. A redacted non-confidential version of the document must also be filed with the Commission and served on any parties to the investigation within two business days of any confidential filing.
