Abstract of Proposed Collection

The Secretary of State is authorized to issue U.S. passports under 22 U.S.C. 211a et seq, 8 U.S.C. 1104, and Executive Order 11295 (August 5, 1966). Department regulations provide that individuals whose valid or potentially valid U.S. passports were lost or stolen must report the lost or stolen passport to the Department of State before receiving a new passport so that the lost or stolen passport can be invalidated (22 CFR parts 50 and 51). The Enhanced Border Security and Visa Entry Reform Act of 2002 (8 U.S.C. 1737) requires the Department of State to collect accurate information on lost or stolen U.S. passports and to enter that information into a data system. Form DS-64 collects information identifying the person who held the valid lost or stolen passport and provides details regarding the circumstances under which the passport was lost or stolen. As required by the cited authorities, we use the information collected to accurately identify the passport that must be invalidated and to make a record of the circumstances surrounding the lost or stolen passport.

Methodology

Passport bearers may submit the form on the Department of State's website, travel.state.gov, where it can be completed, signed, and submitted electronically. The DS-64 is also available at eforms.state.gov where it can be completed online and printed for signature and submission. Additionally, passport bearers have the option to call the National Passport Information Center (NPIC) at 1-877-487-2778 or mail in a hardcopy of the form. The form can be obtained at any passport agency or acceptance facility.
