Needs and Uses: The information collection, the Yellow Pro application, is necessary to provide a personalized candidate experience to every job seeker in NAVAIR, resulting in quality hires and faster fills. To support the sourcing and recruitment requirements for the command, NAVAIR utilizes Yello Pro to collect prospective candidates hiring information such as name, email, phone, education/experience, GPA, etc. along with their resume for hiring managers to review and consider when filling NAVAIR vacancies. Due to unprecedented hiring demand in 2017 and 2018, NAVAIR moved forward with a pilot of a Software-as-a-Service IT System product named Yello to meet mission demands. As part of the Yello IT System, the Yello Pro application was developed. It enables recruiters to collaborate to attract and engage top talent while providing vital command recruiting metrics that provide meaningful insights and lead to more strategic recruitment initiatives and outcomes.
