BILLING CODE 6210-01-S

GENERAL SERVICES ADMINISTRATION

[OMB Control No. 3090-0252]

General Services Administration Acquisition Regulation; Information Collection; Preparation, Submission, and Negotiation of Subcontracting Plans

AGENCY: Office of the Chief Acquisition Officer, GSA.

ACTION: Notice of request for comments regarding a renewal to an existing OMB clearance.

SUMMARY: Under the provisions of the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the General Services Administration will be submitting to the Office of Management and Budget (OMB) a request to review and approve a renewal of a currently approved information collection requirement regarding preparation, submission, and negotiation of subcontracting plans. The clearance currently expires on August 31, 2005.

This information collection will ensure that small and small disadvantaged business concerns are afforded the maximum practicable opportunity to participate as subcontractors in construction, repair, and alteration or lease contracts. Preparation, submission, and negotiation of subcontracting plans requires all negotiated solicitations having an anticipated award value over \$500,000 (\$1,000,000 for construction), submission of a subcontracting plan with other than small business concerns

when a negotiated acquisition meets all four of the following conditions.

1. When the contracting officer anticipates receiving individual subcontracting plans (not commercial plans).
2. When the award is based on trade-offs among cost or price and technical and/or management factors under FAR 15.101-1.
3. The acquisition is not a commercial item acquisition.
4. The acquisition offers more than minimal subcontracting opportunities.

Public comments are particularly invited on: Whether this collection of information is necessary and whether it will have practical utility; whether our estimate of the public burden of this collection of information is accurate, and based on valid assumptions and methodology; ways to enhance the quality, utility, and clarity of the information to be collected.

DATES: Submit comments on or before: July 5, 2005.

FOR FURTHER INFORMATION CONTACT: Rhonda Cundiff, Procurement Analyst, Contract Policy Division, at telephone (202) 501-0044 or via e-mail to rhonda.cundiff@gsa.gov.

SUPPLEMENTARY INFORMATION:

A. Purpose

This information requirement consists of reports that do not impose collection burdens upon the public. These collections require information which is already available to the public at large or that is routinely exchanged by firms during the normal course of business. A general control number for these collections decreases the amount of paperwork generated by the approval process. Since May 10, 1992, GSA has published two rules in the **Federal Register** that fall under OMB Information Collection number 3090-0250: APD 2800.12A, CHGE 25, Implementation of Public Law 99-506, 56 FR 29442, June 27, 1991; and APD 2800.12A, CHGE 75, Industrial Funding Fee, 62 FR 38475, July 18, 1997.

B. Annual Reporting Burden

None.
