II. Initiation of Debarment Proceedings

Your guilty plea and conviction of criminal conduct in connection with the E-Rate program, in addition to serving as a basis for immediate suspension from the program, also serves as a basis for the initiation of debarment proceedings against you. Your conviction falls within the categories of conviction for debarment defined in section 54.8(c) of the Commission's rules.³⁰ Therefore, pursuant to section 54.8 of the Commission's rules, your conviction requires the Bureau to commence debarment proceedings against you.³¹

As with your suspension, you may contest debarment or the scope of the proposed debarment by filing arguments and any relevant documentation within 30 calendar days of the earlier of the receipt of this letter or of publication in the **Federal Register**.³² Absent extraordinary circumstances, the Bureau will debar you.³³ The Bureau will decide any request for reversal or limitation of debarment within 90 days of receipt of such request.³⁴ If the Bureau decides to debar you, its decision will become effective upon the earlier of your receipt of a debarment notice or publication of the decision in the **Federal Register**.³⁵

If and when your debarment becomes effective, you will be prohibited from participating in activities associated with or related to the schools and libraries support mechanism for three

years from the date of debarment.³⁶ The Bureau may, if necessary to protect the public interest, extend the debarment period.³⁷

Synopsis

The TRS mandatory minimum standards expressly provide that the "Commission shall have the authority to audit providers and have access to all data, including carrier specific data, collected by the Fund administrator." The Commission's rules also state that the "[F]und administrator shall have authority to audit TRS providers reporting data to the administrator." Further, the rules state that "the administrator shall establish procedures to verify payment claims, and may suspend or delay payments to a TRS provider if the TRS provider fails to provide adequate verification of payment upon reasonable request, or if directed by the Commission to do so." Finally, the rules state that the "Fund administrator shall make payments only to eligible TRS providers operating pursuant to the mandatory minimum standards as required in § 64.604 [of the Commission's rules]." These rules are

intended to protect the integrity of the Fund and to deter and detect waste, fraud, and abuse.

The Commission and the TRS Fund administrator have conducted some audits, but not all providers have submitted to the auditing process. Therefore, the Commission reminds providers that the above-cited rules, which provide for the suspension or delay of payments to TRS providers who do not provide verification of payment upon reasonable request, authorize the Commission to withhold payment from providers who do not submit to audits, whether requested by the Commission or the Fund administrator.
