1981, to provide advice to the AMS Administrator on implementation of the USGSA. As specified in the USGSA, no member may serve successively for more than 2 terms.

The Advisory Committee consists of 15 members, appointed by the Secretary, who represent the interests of grain producers, processors, handlers, merchandisers, consumers, exporters, and scientists with expertise in research related to the policies in section 2 of the USGSA (7 U.S.C. 74). The grain industry that utilizes Official Inspection and Weighing services for barley, canola, corn, flaxseed, oats, rye, soybeans, sorghum, sunflower seed, triticale, wheat, and mixed grain is diverse. AMS is seeking nominations for the Advisory Committee that will reflect the diversity of the grain industry, including, but not limited to, grain producers, processors, handlers, merchandisers, consumers, exporters, and scientists. Therefore, when making recommendations for appointments, the industry must consider the diversity of the population served and the knowledge, skills, and abilities of the members to serve a diverse population.
