Marine Mammals; Incidental Take During Specified Activities

AGENCY: Fish and Wildlife Service, Interior.

ACTION: Notice of receipt of application and proposed renewal of incidental harassment authorization; request for comments.

SUMMARY: We, the Fish and Wildlife Service (Service), have received an application from the Alaska Department of Transportation and Public Facilities (ADOT&PF) and the Aleutians East Borough for renewal of authorization to take small numbers of marine mammals by harassment incidental to airport construction on Akun Island and hovercraft operation between Akun Island and Akutan, Alaska. In accordance with provisions of the Marine Mammal Protection Act of 1972 (MMPA), as amended, we request comments on our proposed authorization for the applicant to incidentally take, by harassment, small numbers of northern sea otters for a period of 1 year, beginning July 1, 2011. We anticipate no take by injury or death and include none in this proposed authorization, which would be for take by harassment only.
